# **Safety Instruction Guide for OPTIC COMPATIBLE SIGHT SETS FOR GLOCK AMERIGLO OPTIC COMP SIGHT SET FOR GLOCK G15 GRN TRIT W/BLK OUTLINE**

## **Introduction**

Thank you for choosing the Ameriglo Optic Compatible Sight Set for your Glock. This guide provides essential safety instructions to ensure the proper use and maintenance of your sight set. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Ensure that the sight set is compatible with your specific Glock model (G15).
- Always handle firearms and accessories with care and follow all local laws and regulations.
- Keep the sight set out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## **Specific Safety Precautions for Use**

- Do not use the sight set if it has been damaged or altered in any way.
- Avoid using excessive force during installation to prevent damage to the sight set or your firearm.
- Ensure that the firearm is unloaded before installing or adjusting the sight set.
- Be aware of your surroundings and ensure that you are in a safe environment while aiming and using the firearm.
- Use only approved mounting tools and equipment for installation.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure your Glock is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a screwdriver that fits the sight screws.

### **2. Installation Process**

- Remove the existing sights from your Glock by loosening the screws with the appropriate screwdriver.
- Align the new Ameriglo Optic Compatible Sights with the mounting holes on the slide.
- Secure the sights by tightening the screws carefully. Do not overtighten.
- Check the alignment of the sights to ensure they are straight and properly positioned.

### **3. Usage**

- Once installed, familiarize yourself with the sight picture provided by the new sights.
- Practice aiming and shooting in a controlled and safe environment to become accustomed to the new sight set.
- Regularly check the tightness of the sight screws to ensure they remain secure during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If you need to dispose of the sight set, check for local recycling programs that accept electronic or metal components.
- Do not dispose of the sight set in regular household waste if it is damaged or defective.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Ameriglo Optic Compatible Sight Set, please refer to the contact information provided on the packaging or the official website of the manufacturer.

Thank you for prioritizing safety while using your new sight set. Enjoy your shooting experience!
