

# HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT - SWAMPFOX OPTICS 34MM 1.6" 45 DEGREE RMR SIGHT MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Made from 7075-T6 aluminum and finished in matte black hardcoat, the Hostile Engagement Mount extends the center of the forward ring 2" beyond the edge of the 1913 Picatinny mounting surface. This configuration is perfect for LPVOs with generous eye relief, like Tomahawk and Arrowhead. Low profile T25 Torx bolts provide more clamping power than thumb nuts, while integrated recoil lugs ensure everything stays locked down. Built-in RMR footprint mounts at 45° angles are threaded 6-32x for installing an offset back up dot sight like Kingslayer, Liberty or Justice.

## Attributes

# HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT by Swampfox Optics. This product is designed to enhance your shooting experience by providing a secure and versatile mounting solution for your optics. To ensure safe and effective use, please read this safety instruction guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle firearms and accessories with care, treating them as if they are loaded.
- Inspect the mount regularly for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to optics misalignment or detachment.
- Use of incompatible accessories may compromise safety and performance.
- Failure to secure the mount properly may result in injury or damage.

### • Avoiding Hazards:

- Always follow the installation instructions provided in this guide.
- Use only the recommended tools and accessories for installation.
- Do not exceed the specified torque settings for the mounting bolts.
- Ensure the mount is securely attached before using your firearm.

### • AgeSpecific Warnings:

- This product is intended for adult use only. Keep it away from children.

## Instructions for Installation and Usage

### 1. Installation:

- Gather necessary tools: a T25 Torx driver and any additional tools required for your specific firearm.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the mounting surface of your firearm to remove any debris or oil.
- Position the HOSTILE ENGAGEMENT 45™ mount on the 1913 Picatinny rail, aligning it with the desired location.
- Secure the mount using the provided T25 Torx bolts. Tighten the bolts evenly to ensure a secure fit, following the manufacturer's recommended torque specifications.
- Check that the mount is stable and does not shift when pressure is applied.

### 2. Usage:

- Once installed, attach your reflex sight or other optics to the mount's RMR footprint.
- Ensure that the optics are securely fastened and properly aligned for optimal performance.
- Regularly check the tightness of the mount and optics during use, especially after extended shooting sessions.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in household waste.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For further assistance regarding the HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT, please contact the manufacturer or your point of purchase. Always consult with professionals if you have questions regarding installation or usage.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT. Thank you for your attention to safety and responsible use.
