

Z9 MAGAZINE STARTER KITS FOR GLOCK 43 - SHIELD ARMS Z9 STARTER KIT (2) 9-ROUND Z9 MAGS & (1) BLACK MAG RELEASE

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Increases the capacity of your Glock® 43 with this Z9 magazine kit from Shield Arms. The Z9 magazine kit includes one, two, or three Z9 magazines and one steel magazine catch for use in the Glock® 43. The Z9 magazine is a 9 round steel magazine that is the same length as an OEM 6 round magazine with a pinky extension, but with 50% MORE capacity. With the Z9 magazine, your Glock 43 becomes a 9+1 carry gun in a much smaller and more concealable package than a Glock 43X (thinner, shorter in height, lighter) but with 50% more capacity than an OEM Glock 43. The Z9 magazine has a black Powercron finish which is a tough epoxy coating that offers excellent corrosion resistance and low VOC in a lead-free film electrocoat surface finish. Specifications 9 round capacity Same length as an OEM Glock® 43 magazine with pinky extension Easy to remove, impact resistant base pad Powercron finish Made in the USA

Safety Instruction Guide for Z9 Magazine Starter Kits for Glock 43

Introduction

Thank you for choosing the Z9 Magazine Starter Kit for your Glock 43. This guide provides essential safety instructions and information to ensure the safe and effective use of your new magazine kit. Please read this guide carefully before use.

General Safety Guidelines

- Always treat your firearm and its accessories with respect and care.
- Ensure that you are familiar with the operation of your Glock 43 before using the Z9 magazine.
- Store your magazines and firearms securely, out of reach of children and unauthorized users.
- Regularly inspect your magazine for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and ownership of firearms and magazines.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the magazine.
- Do not attempt to modify the magazine or firearm in any way that could compromise safety.
- Use only approved ammunition compatible with your Glock 43 and the Z9 magazine.
- Always keep the muzzle pointed in a safe direction when handling your firearm.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.

Instructions for Installation and Usage

1. Installation of Z9 Magazine:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the Z9 magazine with the magazine well of the Glock 43.
- Firmly push the magazine into the well until it clicks into place.

2. Loading the Z9 Magazine:

- Hold the magazine with the base pad facing down.
- Insert the desired number of rounds into the magazine, ensuring they are seated properly.
- Do not exceed the 9round capacity of the Z9 magazine.

3. Inserting the Loaded Magazine:

- With the firearm still pointed in a safe direction, insert the loaded Z9 magazine into the magazine well.
- Ensure it is seated securely until you hear a click.

4. Using the Firearm:

- Follow standard firearm safety practices when using your Glock 43.
- Ensure you have a proper grip and stance before firing.

5. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to remove the magazine from the firearm.

Disposal Instructions

- Dispose of the Z9 magazine in accordance with local regulations.
- Do not dispose of magazines or ammunition in regular household waste.
- Contact local authorities or a licensed disposal service for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Z9 Magazine Starter Kit, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions and guidelines, you can help ensure that your experience with the Z9 Magazine Starter Kit for Glock 43 is safe and enjoyable. Always prioritize safety and adhere to local laws and regulations regarding firearm usage.
