

Z9 MAGAZINE STARTER KITS FOR GLOCK 43 - SHIELD ARMS Z9 STARTER KIT (3) 9-ROUND Z9 MAGS & (1) BLACK MAG RELEASE

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Increases the capacity of your Glock® 43 with this Z9 magazine kit from Shield Arms. The Z9 magazine kit includes one, two, or three Z9 magazines and one steel magazine catch for use in the Glock® 43. The Z9 magazine is a 9 round steel magazine that is the same length as an OEM 6 round magazine with a pinky extension, but with 50% MORE capacity. With the Z9 magazine, your Glock 43 becomes a 9+1 carry gun in a much smaller and more concealable package than a Glock 43X (thinner, shorter in height, lighter) but with 50% more capacity than an OEM Glock 43. The Z9 magazine has a black Powercron finish which is a tough epoxy coating that offers excellent corrosion resistance and low VOC in a lead-free film electrocoat surface finish. Specifications 9 round capacity Same length as an OEM Glock® 43 magazine with pinky extension Easy to remove, impact resistant base pad Powercron finish Made in the USA

Z9 Magazine Starter Kits Safety Instruction Guide

Introduction

Thank you for choosing the Z9 Magazine Starter Kit for your Glock 43. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazine kit. Please read this document carefully before use.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always treat firearms and associated accessories as if they are loaded.
- Store the Z9 magazines in a secure location, away from children and unauthorized users.
- Regularly inspect the magazines for signs of wear or damage.
- Dispose of any damaged components safely and responsibly.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always check the magazine for proper seating in the firearm before use.
- Do not attempt to modify the magazine or its components.
- Use only compatible ammunition as specified by the manufacturer.
- Keep fingers and other body parts away from the magazine release button when loading or unloading.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- If you encounter any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the Z9 Magazine:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the Z9 magazine into the magazine well of the Glock 43 until you hear a click.
- Check to ensure the magazine is securely in place.

2. Loading the Magazine:

- Hold the magazine with the feed lips facing upward.
- Place the rounds into the magazine, starting from the bottom and working your way up.
- Ensure that each round is seated properly and that the magazine is filled to capacity.

3. Using the Magazine:

- Load the firearm by inserting the loaded magazine into the magazine well.
- Pull back the slide to chamber a round.
- Always keep the firearm pointed in a safe direction when handling.

4. Unloading the Magazine:

- Point the firearm in a safe direction and remove the magazine by pressing the magazine release button.
- Remove any remaining rounds from the magazine before storing.

Disposal Instructions

- Dispose of any damaged magazines and components in accordance with local regulations.
- Do not throw magazines in regular trash; instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Z9 Magazine Starter Kit, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your Z9 Magazine Starter Kit responsibly.
