# Safety Instruction Guide for Walker's Full Coverage Sport Shooting Glasses

## Introduction

Thank you for choosing Walker's Full Coverage Sport Shooting Glasses. These glasses are designed to provide maximum protection for your eyes while maintaining excellent visibility. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the glasses fit securely over your prescription glasses if you wear them.
- Use the glasses only for their intended purpose: protection during shooting activities and similar tasks.
- Regularly inspect the glasses for any damage or wear. Do not use damaged glasses.
- Keep the glasses out of reach of children and vulnerable individuals to prevent misuse.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Impact Resistance:** The glasses are made from high impact resistant polycarbonate. Ensure that they are worn correctly to maximize protection.
- **UV Protection:** The lenses block 99% of Ultra Violet light. Always wear the glasses when exposed to sunlight during shooting activities.
- **Ventilation:** The design allows for airflow, which helps prevent fogging. Ensure that the vents are not obstructed during use.
- **Cleaning:** Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals that may damage the lenses.
- **Storage:** Store the glasses in a protective case when not in use to prevent scratches and damage.

## Instructions for Installation and Usage

### 1. Fitting the Glasses:

- Place the glasses gently over your prescription glasses, ensuring a comfortable fit.
- Adjust the position to ensure that the lenses cover your eyes completely without obstruction.

### 2. Using the Glasses:

- Always wear the glasses when engaging in shooting activities or tasks that may pose a risk to your eyes.
- Ensure that the glasses are clean and free from smudges before use for optimal visibility.

### 3. PostUse Care:

- After use, wipe the lenses with a soft cloth to remove any debris.
- Store the glasses in a safe place, preferably in a protective case.

## Disposal Instructions

- Dispose of the glasses in accordance with local regulations regarding plastic waste.
- If the glasses are damaged beyond use, consider recycling the polycarbonate material if facilities are available in your area.

## **Contact Information for Further Support**

For any inquiries related to safety or product issues, please refer to the contact information provided with your purchase or visit the manufacturer's website for more details.

## **Conclusion**

By following these safety instructions, you can ensure the effective use of Walker's Full Coverage Sport Shooting Glasses while adhering to safety regulations. Always prioritize your eye safety and the safety of those around you. Thank you for choosing Walker's for your eye protection needs.
