# Safety Instruction Guide for Walkers Dual Color Passive Muff, Hearing Protection

## Introduction

Thank you for choosing the Walkers Dual Color Passive Muff, Hearing Protection. This product is designed to protect your hearing in noisy environments, such as job sites or shooting ranges. To ensure your safety and maximize the effectiveness of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the ear muffs before use for any signs of damage or wear.
- Ensure a proper fit by adjusting the headband according to your head size.
- Do not use the ear muffs if they are damaged or if the padding is worn out.
- Keep the ear muffs clean and store them in a dry place when not in use.
- Do not modify or alter the ear muffs in any way.
- Ensure that the ear muffs are suitable for the noise level of your environment.

## Specific Safety Precautions for Use

- Use the ear muffs in environments where noise levels exceed 85 dB to protect your hearing.
- Avoid using the ear muffs in situations where you need to hear important sounds, such as alarms or warning signals.
- Do not wear the ear muffs for extended periods without breaks to prevent discomfort.
- Ensure that the ear pads are positioned correctly over your ears for maximum protection.
- If you experience discomfort or pain while wearing the ear muffs, remove them immediately.

## Instructions for Installation and Usage

### 1. Fitting the Ear Muffs

- Hold the ear muffs by the headband.
- Place the ear pads over your ears, ensuring a snug fit.
- Adjust the headband to fit comfortably on your head without causing pressure.

### 2. Using the Ear Muffs

- Before entering a noisy environment, ensure the ear muffs are securely in place.
- Check that the ear pads create a proper seal around your ears to block out noise.
- If you need to communicate or hear important sounds, remove the ear muffs temporarily.

### 3. Cleaning and Maintenance

- Wipe the ear muffs with a damp cloth to remove dirt and sweat.
- Allow the ear muffs to air dry completely before storing them.
- Inspect the ear pads regularly and replace them if they show signs of wear.

## Disposal Instructions

- Dispose of the ear muffs in accordance with local regulations for electronic waste.
- Do not throw the ear muffs in regular household waste.
- Remove any batteries (if applicable) and dispose of them separately according to battery disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Walkers Dual Color Passive Muff, Hearing Protection, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure the effective use of your Walkers Dual Color Passive Muff, Hearing Protection, and maintain your hearing health while enjoying your activities.
