# Safety Instruction Guide for AR15 Barrel Assemblies 22LR CMMG 16.1 Barrel SubAssembly 22LR

## Introduction

Thank you for choosing the AR15 Barrel Assemblies 22LR CMMG 16.1 Barrel SubAssembly 22LR. This guide provides important safety information and instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearms and ammunition.
- Store the barrel assembly in a secure location, away from children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or incidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the barrel assembly with compatible AR15 platforms.
- Ensure that the barrel is properly installed before use.
- Use only recommended ammunition (22 Long Rifle) to avoid malfunctions.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Avoid using the barrel assembly in wet or damp conditions to prevent corrosion.
- Do not modify the barrel assembly in any way, as this may affect safety and performance.
- Keep the barrel assembly clean and wellmaintained to ensure safe operation.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Gather Tools:** You will need basic tools such as a torque wrench and appropriate screwdrivers.
3. **Remove Existing Barrel:** If applicable, remove the existing barrel from your AR15 upper receiver.
4. **Install New Barrel:**
  - Align the barrel extension with the upper receiver.
  - Securely fasten using the appropriate screws and torque to manufacturer specifications.
5. **Install Barrel Collar (if applicable):** If using a collar kit, follow the specific instructions provided with the kit.
6. **Check Alignment:** Ensure that the barrel is properly aligned and secured.

### Usage

1. **Loading Ammunition:** Use only 22LR cartridges for loading. Ensure they are compatible with the barrel assembly.
2. **Safety Check:** Before firing, perform a safety check to ensure the firearm is in proper working order.
3. **Firing:** Use the firearm in a safe and controlled environment. Always follow firearm safety practices.
4. **PostUse Care:** After use, clean the barrel assembly according to the manufacturer's cleaning guidelines.

## **Disposal Instructions**

- Dispose of the barrel assembly in accordance with local regulations.
- Do not discard in regular household waste.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Barrel Assemblies 22LR CMMG 16.1 Barrel SubAssembly 22LR, please refer to the manufacturer's website or customer support channels for assistance.

Thank you for following these safety guidelines. Your safety and the safety of others is our top priority.
