# ARES ETR 110X24MM FFP ILLUMINATED RIFLE SCOPE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ARES ETR 110X24MM FFP ILLUMINATED RIFLE SCOPE. This guide provides essential safety instructions and guidelines to ensure safe usage and optimal performance of your rifle scope. Please read this manual carefully before using the product to understand all safety precautions.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the rifle scope is compatible with your firearm before installation.
- Use the rifle scope only for its intended purpose: longrange shooting.
- Keep the rifle scope out of reach of children and vulnerable individuals.
- Regularly inspect the rifle scope for any signs of damage or wear.
- If you notice any malfunction or damage, discontinue use immediately and contact a qualified technician.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection while using the rifle scope.
- **Handling Firearms:** Treat every firearm as if it is loaded. Always point the firearm in a safe direction.
- **Shooting Environment:** Ensure that you are in a safe shooting environment, free from obstructions and bystanders.
- **Weather Conditions:** Avoid using the rifle scope in extreme weather conditions that may affect visibility or safety.
- **Mounting:** Ensure that the rifle scope is securely mounted before use. Check for proper alignment and tightness.
- **Illumination:** Be cautious when using the illuminated reticle in lowlight conditions to avoid eye strain.
- **Adjustments:** Make adjustments to the windage and elevation turrets only when the firearm is pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Unpacking the Scope:

- Carefully remove the rifle scope from its packaging.
- Inspect the scope for any visible damage.

### 2. Mounting the Scope:

- Select a compatible mounting base for your firearm.
- Align the scope with the mounting base and secure it using the provided mounting rings.
- Ensure that the scope is level and properly aligned with the barrel.

### 3. Adjusting the Scope:

- Adjust the ocular lens for proper eye relief.
- Set the magnification to your desired level (1x to 10x).
- Use the windage and elevation turrets to zero the scope according to your shooting needs.

#### **4. Using the Illuminated Reticle:**

- Insert a CR2032 battery into the illumination control compartment.
- Turn on the illumination and adjust the brightness to your preference.
- Turn off the illumination when not in use to conserve battery life.

#### **5. Maintenance:**

- Regularly clean the lens with a soft, lintfree cloth.
- Store the rifle scope in a dry, cool place when not in use.
- Avoid exposing the scope to extreme temperatures or moisture.

## **Disposal Instructions**

- Dispose of the rifle scope and any associated batteries in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated recycling centers for electronic devices.
- Remove the battery before disposal and recycle it separately as per local guidelines.

## **Contact Information for Further Support**

For any inquiries regarding product safety or support, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ARES ETR 110X24MM FFP ILLUMINATED RIFLE SCOPE. Thank you for your attention to safety.
