Safety Instruction Guide for HELOS BTR GEN2 212X42MM FFP Illuminated Rifle Scope

Introduction

Thank you for choosing the HELOS BTR GEN2 212X42MM FFP Illuminated Rifle Scope. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your rifle scope. Please read this document carefully before use to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Ensure the rifle scope is used only for its intended purpose.
- Always handle firearms and optics with care and follow all local laws and regulations regarding their use.
- Keep the rifle scope out of reach of children and unauthorized users.
- Inspect the rifle scope regularly for any signs of damage or wear. Do not use a damaged scope.
- Store the rifle scope in a safe and dry environment to prevent damage from moisture or extreme temperatures.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use eye protection when using firearms equipped with this scope.
- **Proper Mounting:** Ensure that the scope is mounted securely on the firearm to avoid accidents during use.
- **Check Zeroing:** Regularly check the zeroing of the scope to ensure accuracy and safety.
- **Illumination Caution:** Use the illuminated reticle feature responsibly; do not point the scope at reflective surfaces that can cause glare.
- **Battery Handling:** Handle batteries (CR2032) with care and dispose of them properly. Do not ingest or expose them to water.
- **Locking Turrets:** Make sure the locking turrets are engaged when not in use to prevent accidental adjustments.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before installing the scope.
- Securely mount the rifle scope to the firearm using the appropriate rings and bases.
- Align the reticle with the bore of the firearm to ensure proper zeroing.
- Tighten all screws and ensure that the scope is stable and secure.

2. Usage:

- Always check the functionality of the illuminated reticle before use.
- Adjust the magnification according to your shooting needs by rotating the magnification ring.
- Use the locking turrets to make precise adjustments to elevation and windage.
- Maintain a proper shooting stance and ensure a clear line of sight before taking a shot.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations.
- Remove the battery (CR2032) before disposal and recycle it according to local battery recycling guidelines.

- Do not dispose of the scope in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and enjoyable experience with your HELOS BTR GEN2 212X42MM FFP Illuminated Rifle Scope. Always prioritize safety and adhere to local laws and regulations regarding firearm usage. Thank you for your attention to these important safety instructions.
