[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Affordable, solid, and reliable are seldom associated with long range shooting and hunting. The Helos BTR GEN2 is the exception. Advanced Fully Multi-Coated lenses and XPL coatings balance out this optic for a wide variety of conditions. Cross-over features such as Locking turrets are not just for hunting, they instill confidence in mid to long range shooters as well. FFP, Fully Multi-coated Lenses, Direct Dial and Locking Elevation & Windage Turrets, Illuminated Reticle, 30mm Tube, Zero Stop.

HELOS BTR GEN2 212X42MM FFP ILLUMINATED RIFLE SCOPE Safety Instructions

Introduction

Thank you for choosing the HELOS BTR GEN2 212X42MM FFP ILLUMINATED RIFLE SCOPE. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the rifle scope with care to prevent damage.
- Ensure the rifle scope is mounted securely before use.
- Use the rifle scope only for its intended purpose: longrange shooting and hunting.
- Keep the rifle scope away from children and vulnerable individuals.
- Regularly inspect the rifle scope for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope to prevent injury from recoil or debris.
- **Handling:** Avoid pointing the rifle scope at any person or animal when not in use.
- **Mounting:** Ensure the mounting system is compatible with your rifle and securely attached.
- **Weather Conditions:** Avoid using the rifle scope in extreme weather conditions that may impair visibility or functionality.
- **Illumination:** Use the illuminated reticle feature responsibly and avoid shining it in the eyes of others.
- **Battery Safety:** Use only the specified battery (CR2032) and follow proper disposal methods for batteries.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting location on your rifle.
- Securely attach the rifle scope using the provided mounting rings and screws.
- Ensure that the scope is level and aligned with the rifle barrel.

2. Adjusting the Scope:

- Adjust the elevation and windage turrets to zero the scope according to your shooting preferences.
- Use the locking feature on the turrets to maintain your adjustments.

3. Using the Illuminated Reticle:

- Activate the illumination by pressing the designated button.
- Adjust the brightness level to suit your shooting environment.

4. Maintenance:

- Regularly clean the lenses with a soft, lintfree cloth to avoid scratches.

- Store the rifle scope in a dry, cool place when not in use.

5. Checking for Damage:

- Before each use, inspect the scope for any signs of damage or malfunction.
- Do not use the scope if any components are damaged.

Disposal Instructions

- Dispose of the rifle scope and its components in accordance with local regulations.
- For the battery (CR2032), follow local guidelines for battery recycling and disposal.
- Do not throw the rifle scope or batteries in household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please contact the manufacturer or your local retailer. Ensure you have your product details available for a faster response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HELOS BTR GEN2 rifle scope. Thank you for your attention to safety and for choosing our product.
