HELOS BTR GEN2 624X56MM FFP ILLUMINATED RIFLE SCOPE Consumer Safety Instructions

Introduction

Thank you for choosing the HELOS BTR GEN2 624X56MM FFP Illuminated Rifle Scope. This product is designed for longrange shooting and hunting, offering advanced features for both novice and experienced users. To ensure your safety and the optimal performance of your scope, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the product is suitable for your intended use.
- Always handle the rifle scope responsibly and in accordance with local laws and regulations regarding firearms and optics.
- Store the rifle scope in a safe, dry place when not in use.
- Regularly inspect the scope for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause permanent eye damage.
- Always ensure the rifle is pointed in a safe direction when using the scope.
- Use the scope only for its intended purpose; misuse can lead to accidents or injuries.
- Keep the scope out of reach of children and vulnerable individuals.
- Do not attempt to disassemble or modify the scope, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the necessary tools for mounting the scope.
- Align the scope with the rifle's mounting system, ensuring it is securely attached.
- Tighten the mounting screws evenly to avoid misalignment.
- Confirm that the scope is level and properly adjusted before use.

2. Usage:

- Adjust the magnification by rotating the magnification ring to your desired setting (between 6x and 24x).
- Use the locking turrets for elevation and windage adjustments. Make sure they are locked in place after making adjustments.
- Activate the illuminated reticle by pressing the designated button. Adjust the brightness to suit your preference.
- Maintain a proper eye relief of 3.78 inches to avoid any recoilrelated injuries.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations regarding electronic waste.
- Remove the battery (CR2032) before disposal and recycle it according to local guidelines.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HELOS BTR GEN2 624X56MM FFP Illuminated Rifle Scope, please refer to the manufacturer's contact information provided with your product documentation.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your HELOS BTR GEN2 Rifle Scope. Always prioritize safety and responsibility when handling firearms and related equipment. Thank you for your attention to these important guidelines.
