

EDGE~~BAG~~ GATER - EDGEWOOD SHOOTING BAGS EDGE~~BAG~~ GATER TALL 4"H 3/8" SPREAD BLACK CORDURA

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

This is a long, heavy bag - about twice the length of the Original (6" x 13"") - the ultimate in stability. Filled weight can easily top 25 lbs. depending on body height. It features a padded top for resting the trigger hand and includes the same choices of ear combination as the Original. The Gater has a multi-layered all flat base. EDGE model includes the following upgrades: Extra rigid, super flat bag base made with a unique material resists deformation over time "Overlay Ears" - Whether you choose slick material or cordura, a durable layer of leather is added underneath the material which contributes to consistency in shape and performance as well as extreme longevity and resistance to wear. Flatter ear space means the riding surface at the base of the ears has been redesigned to practically eliminate inconsistencies in the transition between the riding surface and the ear base. This remedies any potential drag or grabbing and increases longevity by removing an inherent wear point. Reinforced ear base isolates the ear set from the shape of the bag, contributing to consistency in the contact surface and ear spread. Embroidered cordura tops showcase our brand new logo and highlight the evolution of our designs.

EDGEBA GATER EDGEWOOD SHOOTING BAGS

Safety Instruction Guide

Introduction

Thank you for choosing the EDGEBA GATER EDGEWOOD SHOOTING BAG. This guide provides essential safety instructions to ensure the safe and effective use of your shooting bag. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the bag for any signs of wear or damage before each use.
- Keep the bag out of reach of children and vulnerable individuals.
- Store the bag in a dry, cool place away from direct sunlight to prevent material degradation.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Weight Consideration:** The filled weight of the bag can exceed 25 lbs. Ensure you are capable of handling this weight safely.
- **Use on Stable Surfaces:** Always use the bag on stable and flat surfaces to prevent slipping or tipping.
- **Avoid Overloading:** Do not exceed the recommended weight capacity to maintain the bag's integrity and performance.
- **Proper Handling:** When lifting or moving the bag, use proper lifting techniques to avoid injury.
- **Ear Safety:** Ensure that the "Overlay Ears" are properly adjusted to avoid discomfort during use.

Instructions for Installation and Usage

1. Setup:

- Place the shooting bag on a stable surface.
- Ensure the multilayered flat base is fully in contact with the ground.

2. Using the Bag:

- Rest your trigger hand on the padded top for comfort and stability.
- Adjust the ear combination as needed for your shooting position.

3. PostUse Care:

- After use, clean the bag with a damp cloth to remove any dirt or debris.
- Store the bag in a protective cover if available to prolong its lifespan.

Disposal Instructions

- Dispose of the bag responsibly at a local waste management facility, following local regulations.
- If the bag is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support
