

POWerview 2 BINOCULARS - 12X50MM POWerview 2 BINOCULARS

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

An all-metal chassis is the new PowerView 2's foundation, and it's never before been offered at this price. The all-metal chassis ensures ruggedness and durability in the harshest elements, meaning the chassis won't crack in the extreme cold of winter, or disform in the intense heat of summer. The new metal body also eliminates uneven weight distribution often found in binoculars with plastic chassis. Multi-coated optics bring in a large amount of light, providing vibrant images for a crisp, clear viewing experience. Updated ergonomics and a rich textured rubber armor guarantee you'll always have a firm grip, even in one hand. The PowerView 2 binoculars can also be used with other Bushnell products, including our binocular harness. **LONG LASTING DURABILITY** Aluminum alloy chassis provides durability without adding unnecessary weight and bulk. **MODERN EXTERIOR DESIGN** High quality, soft touch rubber and brushed metal texture finishes provide classic performance in a great looking, modern design. **EASY TO USE AND CONFIDENT GRIP** Updated ergonomics with soft touch rubber and easy grip texture along the sides of the binocular, and on the bridge, reduce the chance of dropping and give a confident hand feel....even with one hand. **GREAT IMAGE QUALITY WITH SHARP FOCUS** Multi-coated optics draw an incredible amount of light for clear vibrant images, even in low light. Ultra-smooth focus wheel allows you to focus in on your subject quickly for perfect definition when you need it. **AVAILABLE IN MULTIPLE CONFIGURATIONS** Compact, mid and full-size options in roof or porro prism from 10x to 20x provide multiple options for your adventures.

Safety Instruction Guide for PowerView 2 Binoculars 12x50mm

Introduction

Thank you for choosing the PowerView 2 Binoculars 12x50mm. This guide provides essential safety instructions to ensure safe and effective use of your binoculars. Please read this guide carefully before using the product to maximize your enjoyment and safety.

General Safety Guidelines

- Ensure that you use the binoculars only for their intended purpose.
- Always supervise children when using the binoculars to prevent accidents.
- Inspect the binoculars regularly for any signs of damage or wear.
- Avoid using the binoculars in extreme weather conditions that could compromise their integrity.
- Do not look directly at the sun through the binoculars, as this may cause serious eye injury.
- Keep the binoculars out of reach of small children when not in use.

Specific Safety Precautions for Use

- **Handling:** Always handle the binoculars with care. Avoid dropping or throwing them.
- **Cleaning:** Use a soft, dry cloth to clean the lenses. Do not use abrasive materials or harsh chemicals.
- **Storage:** Store the binoculars in a cool, dry place when not in use. Use the provided case to protect them from dust and scratches.
- **Moisture:** Avoid exposing the binoculars to excessive moisture. If they become wet, dry them thoroughly before storage.
- **Weight:** Be mindful of the weight of the binoculars (28.39 oz) when using them for extended periods, especially with one hand.

Instructions for Installation and Usage

1. Adjusting the Binoculars:

- Hold the binoculars in both hands.
- Adjust the eyecups to suit your eye position. Twist up or down depending on whether you wear glasses.
- Adjust the focus by turning the central focus wheel until the image is clear.

2. Using the Binoculars:

- Look through the eyepieces and locate your subject.
- Use the focus wheel to sharpen the image.
- For best results, keep both eyes open to enhance depth perception.

3. Using with Accessories:

- The PowerView 2 binoculars are compatible with Bushnell binocular harnesses for added comfort and security.

Disposal Instructions

- Dispose of the binoculars in accordance with local regulations.
- If the binoculars are damaged beyond repair, consider recycling components where possible.

- Do not dispose of the binoculars in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or warranty information, please reach out to the manufacturer directly. Ensure you have the product information available for reference.

By following these safety guidelines and instructions, you can enjoy the full benefits of your PowerView 2 Binoculars while ensuring a safe experience. Thank you for your attention to safety!
