WHEELYBIRD 2.0 AUTOFEED TRAP THROWER

Safety Instruction Guide

Introduction

Thank you for choosing the WHEELYBIRD 2.0 AUTOFEED TRAP THROWER. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the trap thrower to understand the safety precautions and operational instructions.

General Safety Guidelines

- Ensure that all users are familiar with the operation of the trap thrower before use.
- Always supervise children and ensure they are at a safe distance from the device during operation.
- Do not use the trap thrower in wet or damp conditions to prevent electrical hazards.
- Regularly inspect the trap thrower for any signs of damage or wear. Do not use if damaged.
- Keep the area clear of bystanders and obstacles before operating the trap thrower.
- Always wear appropriate eye protection when using the trap thrower.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential for injury from flying clays.
- Risks associated with electrical components.
- Risk of burns from hot surfaces.

- **Avoiding Hazards:**

- Stand behind the trap thrower when it is in operation.
- Ensure the trap thrower is set up on stable ground to prevent tipping.
- Do not attempt to adjust or repair the trap thrower while it is in operation.
- Disconnect the power source when not in use or when performing maintenance.

- **AgeSpecific Warnings:**

- This product is not intended for use by children under 14 years of age.
- Users aged 14-17 must be supervised by an adult when operating the trap thrower.

Instructions for Installation and Usage

1. Installation:

- Place the trap thrower on a flat, stable surface away from any obstacles.
- Ensure the area is clear of bystanders and animals.
- Connect the release pedal cord to the trap thrower securely.
- Load the magazine with either 108mm or 110mm clays, ensuring it is properly attached.

2. Usage:

- Connect the trap thrower to a power source.
- Ensure the release pedal is within reach before starting.
- Press the release pedal to activate the trap thrower.
- Wait for the clays to be thrown before moving into the shooting area.

- After use, disconnect the power source and remove any unused clays.

Disposal Instructions

- Dispose of the trap thrower in accordance with local regulations for electronic waste.
- Remove batteries and any hazardous materials before disposal.
- Do not dispose of the trap thrower in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the WHEELYBIRD 2.0 AUTOFEED TRAP THROWER, please contact your local retailer or manufacturer. Ensure that you have the product details available for quicker assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WHEELYBIRD 2.0 AUTOFEED TRAP THROWER. Always prioritize safety and proper usage to maximize the lifespan and effectiveness of your product.
