Safety Instruction Guide for Outers Shotgun Cleaning Tool

Introduction

Thank you for choosing the Outers Shotgun Cleaning Tool, designed for effective and efficient cleaning of 12/16 gauge shotguns. This guide provides important safety information and usage instructions to ensure safe operation and maintenance of the product.

General Safety Guidelines

- Always ensure that the shotgun is unloaded before using the cleaning tool.
- Keep the cleaning tool out of reach of children and vulnerable individuals.
- Inspect the cleaning tool before each use to ensure it is in good condition.
- Do not use the cleaning tool for purposes other than its intended use.
- Store the cleaning tool in a secure place, preferably in its reusable tube, to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential for injury if the cleaning tool is used on a loaded firearm.
- Risk of damage to the shotgun if the tool is used improperly.

- **Instructions for Avoiding Hazards:**

- Always doublecheck that the firearm is completely unloaded.
- Use the cleaning tool gently to avoid damaging the barrel.
- Do not force the tool through the bore if you encounter resistance.
- Ensure that the area is wellventilated when using cleaning solvents or oils.

- **Age or AudienceSpecific Warnings:**

- This product is not intended for use by children. Always supervise young individuals when cleaning firearms.

Instructions for Installation and Usage

- **Installation:**

- For the twopiece set, connect the pieces by inserting the end of one rod into the other until it clicks into place.
- Ensure that the rod is securely connected before use.

- **Usage:**

- Insert the cleaning tool into the barrel of the shotgun, ensuring that it is aligned properly.
- Gently twist and slide the tool through the bore to collect debris.
- Use the oiling mop stored inside the handle for lubrication as needed.
- After use, remove the cleaning tool and clean it thoroughly with warm, soapy water. Rinse and allow to dry completely before storage.

Disposal Instructions

- Dispose of any cleaning solvents or oils in accordance with local regulations.
- When the cleaning tool reaches the end of its useful life, dispose of it responsibly, ensuring that it does not pose a hazard to the environment.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Outers Shotgun Cleaning Tool, please refer to the appropriate contact resources available in your region.

Thank you for your attention to these safety instructions. Enjoy using your Outers Shotgun Cleaning Tool responsibly and safely.
