

# BOLT-ACTION 284 CALIBER CARBON FIBER BARRELS - 284 CALIBER 8.4 TWIST 26" CARBON FIBER SENDERO LIGHT BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

# BOLTACTION 284 CALIBER CARBON FIBER BARRELS Safety Instruction Guide

## Introduction

Congratulations on your purchase of the BOLTACTION 284 CALIBER CARBON FIBER BARREL. This guide provides essential safety instructions to ensure the proper use and maintenance of your barrel, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your product.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that you are familiar with the operation of your firearm before using this barrel.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- Regularly inspect your barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding firearms.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to unsafe firearm operation.
  - Highvolume firing can increase barrel temperatures, which may affect performance.
- **Instructions for Avoiding Hazards:**
  - Always have your barrel installed by a qualified gunsmith.
  - Monitor barrel temperature during use; allow it to cool if it becomes excessively hot.
  - Do not exceed the recommended ammunition specifications for your barrel.
- **AudienceSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Ensure that all users are trained and knowledgeable about firearm safety.

## Instructions for Installation and Usage

- **Installation:**
  - Have the barrel installed by a certified gunsmith to ensure proper threading and chambering.
  - Verify that the gunsmith uses appropriate tools and techniques for installation.
- **Usage:**
  - Before each use, inspect the barrel for any visible defects or damage.
  - Ensure that the firearm is unloaded before attaching or detaching the barrel.
  - Follow the manufacturer's guidelines for ammunition types and specifications.
  - After installation, test the firearm in a safe environment to ensure proper functioning.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding firearms and firearm accessories.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please reach out to your local firearms dealer or a licensed gunsmith. They can provide you with the necessary support and guidance regarding your BOLTACTION 284 CALIBER CARBON FIBER BARREL.

Thank you for choosing the BOLTACTION 284 CALIBER CARBON FIBER BARREL. Your safety is our priority. Always practice safe handling and maintenance to ensure a positive experience with your product.
