

BOLT-ACTION 284 CALIBER CARBON FIBER BARRELS - 284 CALIBER 8.4 TWIST 24" CARBON FIBER SENDERO LIGHT BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

Attributes

- Name: [284 CALIBER 8.4 TWIST 24" CARBON FIBER SENDERO LIGHT BBL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 100046282
- Mfr. No.: 100967
- Barrel Weight: 2.14 lbs
- Cartridge: 284 Caliber
- Contour: Sendero Light
- Finish: Carbon Fiber
- Length: 24"
- Twist: 1-8.4
- Delivery weight: 1.764kg
- Shipping height: 76mm
- Shipping width: 89mm
- Shipping length: 838mm
- UPC: 843068100967

Safety Instruction Guide for BOLTACTION 284 CALIBER CARBON FIBER BARRELS

Introduction

Thank you for choosing the BOLTACTION 284 CALIBER CARBON FIBER BARREL. This guide provides essential safety instructions to ensure the safe and effective use of your new barrel. Please read this document carefully to understand the safety guidelines, precautions, and proper installation procedures.

General Safety Guidelines

- Ensure the barrel is installed by a qualified gunsmith to maintain safety and performance.
- Always handle firearms and their components with care and respect.
- Store the barrel and firearm in a secure location, away from unauthorized users, especially children.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Do not exceed the recommended specifications for ammunition and usage outlined by the manufacturer.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as eye protection and hearing protection, while using firearms.
- **Environmental Awareness:** Be aware of your surroundings when using firearms, ensuring a safe backdrop and clear area.
- **Temperature Considerations:** Avoid exposing the barrel to extreme temperatures that may affect performance.
- **Cleaning and Maintenance:** Follow proper cleaning protocols to maintain the integrity of the carbon fiber material.
- **Avoid Overheating:** Do not engage in highvolume fire without allowing the barrel to cool down to prevent overheating and potential damage.
- **Handling:** Always treat the barrel as if it is loaded, even when it is not.

Instructions for Installation and Usage

1. Installation:

- Have the barrel installed by a qualified gunsmith to ensure proper threading and chambering.
- Verify that the gunsmith uses the correct tools and techniques suitable for carbon fiber barrels.
- Confirm that the barrel is securely attached to the rifle before use.

2. Usage:

- Load the firearm according to the manufacturer's specifications for the 284 caliber.
- Conduct a prefire check to ensure the barrel and firearm are in good working condition.
- Fire the weapon in a controlled environment, following all safety protocols.
- Monitor the barrel for any signs of malfunction or unusual behavior during use.

3. PostUse Care:

- Clean the barrel according to the manufacturer's recommendations.
- Store the barrel in a dry and secure location, away from moisture and direct sunlight.

Disposal Instructions

- When disposing of the barrel, follow local regulations regarding the disposal of firearm components.
- If the barrel is damaged or no longer usable, consider contacting a local gunsmith or firearms dealer for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BOLTACTION 284 CALIBER CARBON FIBER BARREL, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance to ensure your safety and the proper functioning of your equipment.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your new barrel responsibly and safely.
