[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

# BOLTACTION 284 CALIBER CARBON FIBER BARRELS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BOLTACTION 284 CALIBER CARBON FIBER BARREL by PROOF Research. This document provides essential safety instructions and guidelines to ensure the safe use of your product. Please read and understand all sections carefully before installation and use.

## General Safety Guidelines

- Ensure that the barrel is installed by a qualified gunsmith to prevent any safety hazards.
- Always treat the barrel as if it is loaded. Follow all firearm safety rules.
- Keep the barrel and all firearm components out of the reach of children and unauthorized users.
- Inspect the barrel regularly for any signs of damage or wear.
- Do not use the barrel with ammunition that exceeds the specified caliber.
- Always wear appropriate eye and ear protection when using firearms equipped with this barrel.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to firearm malfunction.
  - Overheating during prolonged use can affect accuracy and safety.
  - Carbon fiber barrels may be sensitive to certain chemicals; avoid exposure to harsh solvents or cleaners.
- **Avoiding Hazards:**
  - Always have the barrel checked by a qualified gunsmith after installation.
  - Allow the barrel to cool down between uses to prevent overheating.
  - Clean the barrel with recommended cleaning products only.
- **Warnings:**
  - This product is intended for use by individuals aged 18 and older.
  - If you are inexperienced with firearms, seek guidance from a qualified instructor.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the firearm is unloaded and pointed in a safe direction.
  2. Remove the existing barrel according to the manufacturer's instructions.
  3. Carefully install the BOLTACTION 284 CALIBER CARBON FIBER BARREL, ensuring it is properly threaded and secured.
  4. Have a qualified gunsmith inspect the installation before use.
- **Usage:**
  - Load the firearm with appropriate 284 caliber ammunition.
  - Aim at a safe target and ensure the shooting area is clear of obstructions.

- Fire the firearm according to standard shooting practices.
- After use, clean the barrel using recommended cleaning methods to maintain performance.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding firearm components and materials.
- Do not discard the barrel in regular household waste.
- Contact local waste management or recycling facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the BOLTACTION 284 CALIBER CARBON FIBER BARREL, please refer to your local retailer or the manufacturer's customer support resources.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with your BOLTACTION 284 CALIBER CARBON FIBER BARREL. Always prioritize safety and responsibility when handling firearms.
