

ZERMATT RIMX PREFIT CARBON FIBER BARREL - PROOF RESEARCH 22 LONG RIFLE 16 TWIST 16.5" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research shouldered pre-fit carbon fiber barrels for Zermatt Arms RimX actions make it easy to upgrade your rifle or change calibers. The pre-fit Zermatt Arms shouldered barrels are easy to install. Simply thread it on, torque it down, double check headspace and head for the range. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

ZERMATT RIMX PREFIT CARBON FIBER BARREL

Safety Instruction Guide

Introduction

Thank you for purchasing the Zermatt RimX Prefit Carbon Fiber Barrel from PROOF Research. This guide provides important safety instructions, installation procedures, and maintenance tips to ensure safe and effective use of your new barrel. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle firearms with care and follow the basic rules of firearm safety.
- Ensure that the barrel is compatible with your firearm model before installation.
- Inspect the barrel for any visible damage before use.
- Store the barrel in a safe, dry location away from children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use only recommended ammunition for your specific firearm and barrel combination.
- Regularly check for product recalls or safety updates through official channels.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to firearm malfunction.
- Using incompatible ammunition can cause dangerous situations.
- Highvolume fire may increase heat and wear on the barrel.

- **Avoiding Hazards:**

- Always follow the manufacturer's installation instructions.
- Doublecheck headspace after installation to ensure proper fit.
- Allow the barrel to cool down between highvolume shooting sessions to prevent overheating.
- Do not modify the barrel or firearm without professional guidance.

- **AudienceSpecific Warnings:**

- This product is intended for use by adults only. Keep out of reach of children.
- Ensure that all users are trained in safe firearm handling practices.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure you have the necessary tools for installation, including a torque wrench.
2. Remove the existing barrel from your Zermatt RimX action according to the manufacturer's instructions.
3. Thread the new carbon fiber barrel onto the action.
4. Torque the barrel to the manufacturer's specifications.
5. Doublecheck headspace using appropriate gauges.
6. Confirm that the barrel is securely attached before proceeding to use.

- **Usage Instructions:**

- Before shooting, always check that the firearm is unloaded.
- Use proper eye and ear protection while shooting.
- Monitor the barrel temperature during use, especially during highvolume shooting.
- Clean the barrel regularly according to the manufacturer's recommendations to maintain performance and longevity.

Disposal Instructions

- When disposing of the barrel, follow local regulations regarding firearm and firearm accessory disposal.
- Do not dispose of the barrel in regular household waste. Check for local recycling or hazardous waste facilities that accept firearm components.
- Ensure that the barrel is rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any safety inquiries, product issues, or to report unsafe conditions, please contact the manufacturer or your local dealer. Always refer to the official website for the most current safety information and product updates.

Thank you for prioritizing safety while using the Zermatt RimX Prefit Carbon Fiber Barrel. Enjoy your shooting experience responsibly!
