

# **MAGAZINE FOR GLOCK 17 - STRIKE INDUSTRIES 17 ROUND MAGAZINE FOR GLOCK 17**

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

The Strike Magazine for GLOCK™ G17 (9mm) is a high-strength impact resistant custom blended SI Polymer Extreme double-stack pistol mag that includes a translucent body for quick visibility of ammo and a specially selected spring for added reliability. The capacity of the 17+ round translucent magazine body is designed with strategically placed textured and non-textured surfaces. Textured where it's needed to reduce the shine of the brass and add positive feel. Non-textured at one side for ultra-clear visibility of round count and what's going on inside. Not only is the mag body translucent, there are also corner round count cuts to give you alternative angles to see how many you got left for the fight. Magazine release cuts are designed on both sides the SI mag and is compatible with right, left and ambidextrous release setups found on factory GLOCK™ GEN3-GEN5 frames. The Strike Magazine for GLOCK™ G17 has a built-in hook slot specifically for the SI Extended Magazine Plate (EMP) steel locking plate for an added extra security when increasing capacity but the baseplate included also has standout features. Side cuts on the baseplate provides easier gripping. Paintable triangle markers at the top of mag body to help identify the magazine is in the correct direction when reloading. ID markers at the bottom of the baseplate allow you to custom mark your mags and also make sure nobody goes home with your stuff. Along with the side cuts, the baseplate also has an added front lip for an increased footprint to help with the standing of the mag to give it a little balance. The included baseplate is a tool-less disassembly design for quick and easy removal with a simply push using your finger nail. The Strike Magazine for GLOCK™ G17 (9mm) is fully loaded with features as an alternative option that should line the walls of your safe and gun bag.

**COMPATIBLE:** -GEN3-5 GLOCK™ 17,17L,19,26,34 -SI Extended Magazine Plate (EMP) **NOTE:** Not for sale to California, Colorado, Connecticut, Hawaii, Illinois, Maryland, Massachusetts, New Jersey, New York, Vermont and Washington DC residents due to 10 or 15-round state laws. # **Safety Instruction Guide for MAGAZINE FOR GLOCK 17 STRIKE INDUSTRIES 17 ROUND MAGAZINE FOR GLOCK 17**

## **Introduction**

Thank you for choosing the Strike Magazine for GLOCK™ G17. This guide provides important safety information and instructions to ensure the safe use of your magazine. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that the magazine is compatible with your firearm model (GLOCK™ 17, 17L, 19, 26, 34).
- Always handle firearms and magazines with care, treating them as if they are loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and ammunition.

## **Specific Safety Precautions for Use**

- Do not exceed the magazine's specified capacity (17+ rounds).
- Ensure the magazine is properly seated in the firearm before use.
- Avoid using the magazine with ammunition that is not compatible with 9mm Luger.
- Use only highquality ammunition to prevent malfunctions.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Do not modify the magazine in any way as this may compromise safety and functionality.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### **2. Usage:**

- Load the magazine by inserting rounds into the magazine body.
- Inspect the magazine to ensure that it is loaded correctly.
- Insert the magazine into the firearm and ensure it is securely in place.
- When ready to fire, follow standard firearm safety practices.

### **3. Disassembly:**

- Ensure the firearm is unloaded and the magazine is removed.
- To disassemble the magazine, locate the toolless disassembly feature on the baseplate.
- Use your fingernail to push the baseplate and remove it from the magazine body.
- Clean and maintain the magazine as needed.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.

- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Strike Magazine for GLOCK™ G17, please consult your retailer or manufacturer's website for assistance.

### Important Note

This safety instruction guide is designed to provide essential safety information and does not substitute for proper training in firearm handling and safety. Always seek guidance from qualified professionals when handling firearms.
