

GRIDLOK LITE HANDGUARD ASSEMBLY - STRIKE INDUSTRIES

GRIDLOK LITE 11" HANDGUARD ASSEMBLY BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Strike Industries GRIDLOK® LITE Rail for AR-15 takes innovation from GRIDLOK® but this is a 1-piece design to minimize weight and offer a cost-effective option. Using the same Patent Pending Quick Rail Detach system, there is no other handguard that can be removed at home or in the field on the market today. With the Quick Rail detach system, a simple push and pull of the of the quick detach (QD) latch, you have the handguard off in seconds to make any adjustments to an adjustable gas block or installation/removal of a suppressor. The QD latch has also been redesigned with a new locking button for earlier latch locking. Integrated into the front of the GRIDLOK® LITE is the built-in flip up backup iron sight (BUIS). Just about any M-LOK accessories can be attached and mounted along the length of the rail at 1, 3, 5, 6, 7, 9 and 11 o'clock positions giving you as many options as any handguard on the market. In the rear of the handguard you will find a integrated 360° free swivel QD socket for a 2-point setup. Rear tabs with set screws at the top the SI GRIDLOK® LITE help center the top rail to the upper receiver to ensure proper alignment. The cut in front was designed to help fit suppressors up to 1.57" (39.9mm) in diameter and of course all SI muzzle devices including the SI OPPRESSOR for those looking for that tucked look. The handguard is machined from 6061-T6 aluminum and the barrel nut is machined from 7000 series aluminum which excels in applications that require lightweight and high strength. The Strike Industries GRIDLOK® LITE for AR-15 brings you features and improvements from big brother GRIDLOK® but with a more lightweight and cost-effective option. COMPATIBILITY: Mil-Spec M4 upper receiver NOT COMPATIBLE: Piston gas block Some billet/side charging uppers 11", 15", 17" with A2 Front Sight Post gas block

Attributes

- Name: [STRIKE INDUSTRIES GRIDLOK LITE 11" HANDGUARD ASSEMBLY BLACK](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100047159
- Mfr. No.: SI-GRIDLOK-LITE
- Colour: Black
- Length: 11
- Material: Aluminum
- Style: Quick Detach,M-LOK
- Type: Picatinny
- Weapon type: AR-15
- Delivery weight: 0.617kg
- Shipping height: 64mm
- Shipping width: 76mm
- Shipping length: 330mm
- UPC: 793811764253

Item details

US export classification: 0A501.y.1

Safety Instruction Guide for GRILDLOK LITE Handguard Assembly

Introduction

Thank you for choosing the GRILDLOK LITE Handguard Assembly from Strike Industries. This guide provides essential safety instructions to ensure the safe use and installation of your handguard. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and recommendations.
- Check the product for any visible damage before use. Do not use if damaged.
- Store the handguard in a dry and safe location, away from children and pets.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls or safety alerts regarding this product by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the GRILDLOK LITE Handguard Assembly is compatible with your MilSpec M4 upper receiver. It is not compatible with piston gas blocks or certain billet/side charging uppers.
- **Installation:** Follow the installation instructions carefully to avoid improper installation, which may lead to accidents or malfunctions.
- **Weight Considerations:** The design minimizes weight, but ensure that your setup does not exceed weight limits for safe handling.
- **Iron Sight Use:** The integrated flipup backup iron sight (BUIS) should be used responsibly. Ensure it is properly secured before use.
- **MLOK Accessories:** When attaching MLOK accessories, ensure they are firmly mounted and compatible with the rail.
- **Suppressor Compatibility:** The front cut is designed for suppressors up to 1.57 inches (39.9mm) in diameter. Ensure proper fit to avoid damage.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Gather all necessary tools and ensure your workspace is clean and organized.
2. **Remove Existing Handguard:** If applicable, remove your old handguard by using the Quick Rail Detach system. Push and pull the quick detach (QD) latch to detach the handguard.
3. **Position the Handguard:** Align the GRILDLOK LITE Handguard Assembly with the upper receiver.
4. **Secure the Handguard:**
 - Ensure the rear tabs with set screws are properly aligned.
 - Tighten the set screws to secure the handguard in place.
5. **Check Alignment:** Ensure that the top rail is properly aligned with the upper receiver.
6. **Attach Accessories:** If desired, attach MLOK accessories to the handguard at the appropriate positions (1, 3, 5, 6, 7, 9, and 11 o'clock).
7. **Final Inspection:** Doublecheck all connections and ensure everything is secure before use.

Usage Guidelines

- Use the handguard only for its designed purpose with compatible firearms.
- Regularly inspect the handguard for any signs of wear or damage.

- If adjustments are needed (e.g., to an adjustable gas block or suppressor), use the Quick Rail Detach system to remove the handguard safely.

Disposal Instructions

- Dispose of the handguard responsibly in accordance with local regulations.
- If the handguard is damaged beyond repair, recycle the aluminum components where possible.

Contact Information for Further Support

For additional support or inquiries regarding the GRILDLOK LITE Handguard Assembly, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and features of your new GRILDLOK LITE Handguard Assembly.
