

S&W J-FRAME 320 GRIPS - VZ GRIPS S&W J-FRAME 320, BLACK CHERRY

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The VZ 320 is the smoothest grip VZ produces in their vast line of grips. Minute mill marks are left behind from the CNC machines and are left unpolished. This gives the grip just a hint of texture, which makes for a very comfortable grip. They are visually appealing as well. Since there really isn't any pronounced texture, you can see the bold layers of color in the laminates we use. T-15 Screw Included.

S&W JFRAME 320 GRIPS VZ GRIPS S&W JFRAME 320, BLACK CHERRY Safety Instructions

Introduction

Thank you for choosing the S&W JFRAME 320 GRIPS by VZ GRIPS. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your grips. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always ensure that your firearm is unloaded before handling or installing the grips.
- Inspect the grips for any visible damage or defects before installation.
- Keep the grips out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you experience any issues or have concerns about the grips, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Ensure that the grips are compatible with your Smith & Wesson J Frame model.
- Do not use the grips if they show signs of wear or damage.
- Avoid exposing the grips to extreme temperatures or harsh chemicals that may affect their integrity.
- Be cautious of the grip's smooth surface, which may lead to slippage in wet or humid conditions.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools, including a T15 screwdriver (included).
- Ensure that your workspace is clean and free of distractions.

2. Installation Steps

- Make sure your firearm is unloaded and safe.
- Remove the existing grips from your Smith & Wesson J Frame by unscrewing them with the T15 screwdriver.
- Align the VZ grips with the frame of your firearm, ensuring proper fit.
- Secure the grips in place using the screws provided. Tighten gently to avoid stripping the screws.
- Inspect the installation to ensure that the grips are firmly attached and do not move.

3. Usage Tips

- Familiarize yourself with the feel of the new grips before using your firearm.
- Regularly check the grips for tightness and any signs of wear.

Disposal Instructions

- When disposing of the grips, follow local regulations for disposal of plastic materials.
- Do not incinerate the grips as it may release harmful substances.
