

# STACHE IWB MAG CARRIER - BLACKHAWK STACHE IWB SINGLE STACK MAG CARRIER BLACK

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Magazine Belt Pouches](#)

I have enough ammo" - Said nobody, ever. Offered in various sizes to suit the individual user's magazine size, the Stache™ IWB magazine carrier is designed to ensure that no matter what your carry pistol is, it won't go hungry when the moment comes. Constructed of injection molded, impact reinforced polymer; this magazine carrier is designed for life-long use. Integrated, passive retention adjustment screws allows the user to tailor the friction of the magazine carrier to their preference; as well as providing a seamless and integrated mounting point for popular, aftermarket Discreet Carry Concepts Gear Clips™. Provided appendix platform accessory wing allows the user to join their magazine to their existing Stache™ IWB Base model and create their own appendix platform if they so choose. Magazine carrier and provided 1.5" J-Style belt clip are both ambidextrous, offering maximum versatility regardless of hand dominance or carry preference. The Stache™ IWB Mag Carrier really is the ultimate ammunition carrying device.

# Safety Instruction Guide for STACHE IWB Mag Carrier

## Introduction

Thank you for choosing the STACHE IWB Mag Carrier by BLACKHAWK. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the mag carrier to understand its features and how to use it properly.

## General Safety Guidelines

- Ensure that the mag carrier is compatible with your specific magazine size and type.
- Always keep the mag carrier and its contents out of reach of children and unauthorized users.
- Regularly inspect the mag carrier for signs of wear or damage. If any issues are found, discontinue use immediately.
- Use the mag carrier only for its intended purpose, which is to carry magazines securely.
- Follow all local laws and regulations regarding the carrying of firearms and ammunition.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended magazine capacity for your specific model.
- **Secure Fit:** Ensure that the magazine is securely held in the carrier before carrying it. A loose fit can lead to accidental discharges or loss of the magazine.
- **Passive Retention Adjustment:** Adjust the passive retention screws to achieve the desired friction level for your magazine. This allows for a secure fit while still enabling easy access when needed.
- **Ambidextrous Use:** The mag carrier is designed for ambidextrous use. Ensure that you are familiar with its operation from both the left and righthand perspectives.
- **Appendix Platform Usage:** If using the appendix platform accessory wing, ensure it is properly attached to the base model to prevent it from detaching during use.

## Instructions for Installation and Usage

### 1. Inspect the Product:

- Before use, inspect the mag carrier for any visible damage or defects.
- Ensure that all components, including the belt clip and retention screws, are present and secure.

### 2. Adjust the Retention:

- Use a screwdriver to adjust the passive retention screws according to your preference for magazine retention.
- Test the fit of the magazine after adjustments to ensure it is secure.

### 3. Attach the Belt Clip:

- The 1.5" JStyle belt clip is designed for easy attachment to your belt.
- Ensure the clip is securely fastened and positioned for comfortable access.

### 4. Using the Mag Carrier:

- Place the mag carrier on your belt or waistband, ensuring a secure fit.
- When drawing the magazine, do so with a firm grip to avoid dropping it.

### 5. Storage:

- When not in use, store the mag carrier in a safe place, away from children and unauthorized users.
- Keep it clean and free from debris to maintain optimal performance.

## **Disposal Instructions**

- When disposing of the STACHE IWB Mag Carrier, ensure that it is done in accordance with local regulations for plastic products.
- If the product is damaged beyond repair, consider recycling the polymer material if facilities are available in your area.
- Do not dispose of the mag carrier in regular household waste if it can be recycled.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's website or customer service resources available in your region.

Thank you for taking the time to review this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy using your STACHE IWB Mag Carrier!
