

# STACHE IWB MAG CARRIER - BLACKHAWK STACHE DOUBLE STACK MAG CARRIER BLACK

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Magazine Belt Pouches](#)

I have enough ammo" - Said nobody, ever. Offered in various sizes to suit the individual user's magazine size, the Stache™ IWB magazine carrier is designed to ensure that no matter what your carry pistol is, it won't go hungry when the moment comes. Constructed of injection molded, impact reinforced polymer; this magazine carrier is designed for life-long use. Integrated, passive retention adjustment screws allows the user to tailor the friction of the magazine carrier to their preference; as well as providing a seamless and integrated mounting point for popular, aftermarket Discreet Carry Concepts Gear Clips™. Provided appendix platform accessory wing allows the user to join their magazine to their existing Stache™ IWB Base model and create their own appendix platform if they so choose. Magazine carrier and provided 1.5" J-Style belt clip are both ambidextrous, offering maximum versatility regardless of hand dominance or carry preference. The Stache™ IWB Mag Carrier really is the ultimate ammunition carrying device.

# STACHE IWB Mag Carrier Safety Instruction Guide

## Introduction

Thank you for choosing the STACHE IWB Mag Carrier by BLACKHAWK. This product is designed to provide secure and convenient storage for your ammunition while ensuring safe use. This safety instruction guide outlines essential safety information, usage instructions, and disposal guidelines to ensure your safety and satisfaction.

## General Safety Guidelines

- Always ensure the magazine carrier is empty before handling or storing.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the magazine carrier for signs of wear or damage.
- Avoid exposing the carrier to extreme temperatures or harsh chemicals.
- Always use the carrier as intended; do not modify or alter the product.
- Store the magazine carrier in a safe, dry place when not in use.

## Specific Safety Precautions for Use

- Ensure that the magazine carrier is securely attached to your belt or waistband before carrying.
- Adjust the passive retention screws to your preferred level of friction, ensuring the magazine is held securely.
- When using the appendix platform accessory wing, ensure it is properly attached to avoid accidental detachment.
- Be mindful of your surroundings when accessing or reloading from the magazine carrier.
- Always treat the magazine as if it is loaded, following all firearm safety practices.

## Instructions for Installation and Usage

### Installation

#### 1. Attach the JStyle Belt Clip:

- Align the clip with the designated mounting point on the magazine carrier.
- Securely fasten the clip using the provided screws, ensuring it is tight but not overtightened.

#### 2. Adjust the Retention:

- Use a screwdriver to adjust the passive retention adjustment screws located on the magazine carrier.
- Test the retention by inserting and removing a magazine to ensure it meets your preference.

#### 3. Appendix Platform Setup:

- If using the appendix platform accessory wing, align it with the existing Stache IWB Base model.
- Secure it in place using the provided screws, ensuring it is firmly attached.

### Usage

#### • Carrying the Magazine Carrier:

- Position the magazine carrier on your waistband or belt in a comfortable and accessible location.
- Ensure the magazine is securely inserted into the carrier before wearing.

- **Accessing the Magazine:**

- When needing to access the magazine, ensure you are in a safe and secure environment.
- Use both hands to remove the magazine from the carrier, if necessary, for stability.

## **Disposal Instructions**

- Dispose of the magazine carrier in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling the polymer material if possible.
- Do not dispose of the product in regular household waste if it can be recycled.

## **Contact Information for Further Support**
