Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope Safety Instruction Guide

Introduction

Thank you for choosing the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your rifle scope. Please read this document carefully before using the product to familiarize yourself with important safety guidelines, installation instructions, and disposal information.

General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose as a sighting device for firearms.
- Always treat every firearm as if it is loaded and follow all firearm safety rules.
- Keep the rifle scope and all firearms out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of damage or malfunction. Do not use a damaged scope.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye protection when using firearms equipped with the rifle scope.
- Follow all local laws and regulations regarding the ownership and use of firearms and firearm accessories.

Specific Safety Precautions for Use

- **Locking Turrets:** Ensure the locking turrets are engaged before and after making adjustments to prevent unintentional changes.
- **Illumination Settings:** Use the illuminated reticle responsibly. Avoid shining the illumination directly into the eyes of others.
- **Eye Relief:** Maintain proper eye relief (3.54" to 3.46") to prevent injury from recoil. Adjust your position accordingly.
- **Battery Safety:** Use only the recommended battery type (CR2032). Dispose of used batteries according to local regulations.
- **Cleaning:** Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials that could scratch the lenses.

Instructions for Installation and Usage

1. Installation:

- Mount the rifle scope securely to your firearm using compatible rings or mounts.
- Ensure that the scope is level and aligned with the barrel of the firearm.
- Tighten all screws and fasteners according to the manufacturer's specifications to ensure stability.

2. Adjustment:

- To adjust the magnification, rotate the magnification ring smoothly to the desired level (1x to 10x).
- Use the locking turrets to make windage and elevation adjustments. Engage the locking mechanism after adjustments.

3. Illumination:

- To activate the illumination, locate the control knob and rotate it to the desired brightness level.
- Turn off the illumination when not in use to conserve battery life.

4. Sighting In:

- Follow standard procedures for sighting in your rifle scope. This may involve shooting at a target to calibrate the reticle for accuracy.

5. Regular Maintenance:

- Routinely check all mounting hardware for tightness.
- Store the rifle scope in a cool, dry place when not in use to prolong its lifespan.

Disposal Instructions

- Dispose of the rifle scope in accordance with local laws and regulations regarding electronic waste.
- Remove the battery and dispose of it following local battery recycling guidelines.
- If the product is no longer usable, consider recycling it at a designated electronic waste facility.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Swampfox Arrowhead rifle scope, please refer to the manufacturer's official website or contact your local authorized dealer.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. Thank you for your commitment to safety and responsible firearm use.
