Safety Instruction Guide for ARROWHEAD 110X24 SFP Illuminated Rifle Scope

Introduction

Thank you for choosing the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure the safe use and handling of your rifle scope. Please read this manual carefully before use to familiarize yourself with the safety guidelines and operational procedures.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the rifle scope by following all instructions. This product meets the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any potential recalls. If a recall occurs, follow the instructions provided for remedies.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Handling:** Always handle the rifle scope with care. Avoid dropping or subjecting it to impact.
- **Installation:** Ensure the scope is securely mounted to your firearm before use. Loose installations can lead to misalignment and accidents.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this scope.
- **Illumination Settings:** Be cautious when adjusting the illumination settings. Excessive brightness can cause temporary vision impairment.
- **Environmental Conditions:** Avoid exposing the rifle scope to extreme temperatures, moisture, or corrosive environments.
- **Personal Safety:** Always treat your firearm as if it is loaded. Follow all firearm safety rules and regulations.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Select an appropriate mounting location on your firearm.
- Use the provided tools to securely attach the scope to the mounting rings.
- Check the alignment and ensure the scope is level.
- Tighten the mounting screws without overtightening.

2. Usage:

- Adjust the magnification by rotating the magnification ring.
- Use the throw lever for quick adjustments.
- To adjust the turrets, simply turn them without the need for tools.
- For illuminated reticles, press the illumination button to turn on/off and adjust brightness levels.
- Always check eye relief before aiming to ensure a clear sight picture.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations. Do not dispose of it in regular household waste.
- If the scope is damaged or no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any inquiries or support regarding the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope, please refer to the designated EU contact point associated with this product.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Swampfox Arrowhead Rifle Scope. Thank you for your attention to safety.
