# Safety Instruction Guide for the ARROWHEAD 110X24 SFP Illuminated Rifle Scope

## Introduction

Thank you for choosing the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. This product is designed for serious law enforcement and selfdefense applications. To ensure your safety and the optimal performance of your scope, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the product according to the guidelines provided.
- Be aware of potential risks associated with the use of optical devices.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly check for product recalls or safety updates via the EU Safety Gate platform.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Always handle the scope with care to avoid dropping or damaging it.
- Do not look directly at the sun through the scope, as this can cause serious eye damage.
- Ensure that the locking turrets are secured before use to prevent unintentional adjustments.
- Use the scope only for its intended purpose; misuse may lead to accidents or injuries.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Mount the scope securely on the rifle using appropriate rings and bases.
- Adjust the scope to the desired position for optimal eye relief (3.54" to 3.46").
- Tighten the mounting screws without overtightening to avoid damaging the scope.

### 2. Usage

- Before using the scope, familiarize yourself with its features, including the illuminated etched reticles and locking turrets.
- Adjust the magnification from 1x to 10x as needed for your shooting requirements.
- Use the throw lever to quickly change magnification settings.
- When using the illuminated reticle, ensure the battery (CR2032) is properly installed and functioning.
- Always maintain a proper shooting stance and ensure a clear line of sight before firing.

## Disposal Instructions

- Dispose of the scope and its components according to local regulations for electronic waste.
- Remove the battery (CR2032) before disposal and recycle it at a designated battery recycling facility.
- Do not dispose of the scope in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or support regarding your Swampfox Arrowhead Rifle Scope, please refer to the product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure the safe and effective use of your Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. Thank you for your attention to safety and responsible usage.
