Safety Instruction Guide for ARROWHEAD 110X24 SFP ILLUMINATED RIFLE SCOPE

Introduction

Thank you for choosing the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your rifle scope. Please read this document carefully before using the product to maximize safety and performance.

General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose.
- Always handle firearms and related accessories, including scopes, with care and responsibility.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of damage or wear before use.
- If the rifle scope is damaged or malfunctions, discontinue use immediately and seek professional assistance.
- Follow all local laws and regulations regarding the use and ownership of firearms and optics.

Specific Safety Precautions for Use

- Always ensure the rifle is pointed in a safe direction when attaching or adjusting the scope.
- Use the locking turrets correctly to prevent unintentional adjustments during use.
- Be aware of your surroundings and ensure a clear line of sight before aiming or firing.
- Do not use the rifle scope in adverse weather conditions unless it is specifically rated for such use.
- When using the illuminated reticles, adjust the brightness to a comfortable level to avoid eye strain.
- Ensure that the eye relief is properly adjusted to prevent injury from recoil.

Instructions for Installation and Usage

Installation

1. Mounting the Scope:

- Select a suitable mounting base compatible with the rifle and scope.
- Securely attach the scope to the mounting base using appropriate tools.
- Ensure that the scope is level and aligned with the rifle barrel.

2. Adjusting the Turrets:

- Use the locking turrets to make necessary adjustments for windage and elevation.
- Ensure that the turrets are locked in place after adjustments to prevent movement.

3. Setting the Reticle:

- Select the desired reticle setting based on your shooting conditions.
- Use the illumination control to adjust the brightness of the reticle.

Usage

1. Checking Eye Relief:

- Before firing, ensure that your eye relief is set correctly to avoid injury from recoil.

- Adjust the position of the scope as needed for optimal eye relief.

2. Using the Scope:

- Look through the scope and focus on the target.
- Make any necessary adjustments to the magnification using the zoom feature.
- Fire the rifle only when you are confident in your aim and the target is clear.

3. PostUse Care:

- After use, clean the lens with a soft cloth to remove dust and debris.
- Store the rifle scope in a safe, dry place when not in use.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them properly.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope, please consult the manufacturer's website or contact their support team for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Swampfox Arrowhead rifle scope. Thank you for your attention to safety.
