# Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope Safety Instructions

## Introduction

Thank you for choosing the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. This product is designed for serious law enforcement and selfdefense applications. To ensure your safety and the optimal performance of your rifle scope, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat your rifle scope as if it is loaded.
- Ensure that the rifle scope is securely mounted to your firearm before use.
- Do not point the rifle scope at anything you do not intend to shoot.
- Keep the rifle scope and firearm out of reach of children and unauthorized users.
- Inspect the rifle scope regularly for signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and scopes.
- In case of an emergency, contact local authorities immediately.

## Specific Safety Precautions for Use

- **Locking Turrets:** Ensure that the locking turrets are engaged to prevent unintentional adjustments during use.
- **Illumination Settings:** Use the illuminated reticle settings responsibly. Avoid using high illumination levels in bright conditions to prevent eye strain.
- **Eye Relief:** Maintain a proper eye relief distance of 3.54 inches to 3.46 inches to avoid injury from recoil.
- **Objective Size:** Be aware that the 24mm objective size may limit light transmission in lowlight conditions.
- **Battery Safety:** Use only a CR2032 battery. Dispose of used batteries properly and avoid contact with liquid.
- **Environmental Considerations:** Avoid exposing the rifle scope to extreme temperatures, humidity, or direct sunlight for prolonged periods.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your rifle is unloaded.
- Select a suitable mounting location on your firearm.
- Securely attach the rifle scope using the provided mounting rings and tools.
- Confirm that the scope is level and properly aligned with the barrel.

### 2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired level (1x to 10x).
- Use the throw lever for quick magnification adjustments.
- Adjust the reticle using the locking turrets to zero in on your target.
- Select the appropriate illumination setting for your environment.

### 3. Maintenance:

- Clean the lens with a soft, lintfree cloth to avoid scratches.
- Store the rifle scope in a cool, dry place when not in use.

- Regularly check for any loose screws or components.

## **Disposal Instructions**

- Dispose of the rifle scope in accordance with local regulations.
- For electronic components, including the battery, follow your local ewaste disposal guidelines.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the official Swampfox Optics website or contact your local dealer. Always ensure you have the latest safety updates and product information.

Thank you for your attention to these safety instructions. Your safety and enjoyment of the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope are our top priorities.
