Safety Instruction Guide for the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope

Introduction

Thank you for choosing the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your rifle scope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the rifle scope is used only for its intended purpose.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Do not attempt to disassemble or modify the scope in any way.
- Use the scope in a safe environment, free from distractions and hazards.

Specific Safety Precautions for Use

- **Handling:** Always handle the rifle scope with care to avoid dropping or damaging it.
- **Mounting:** Ensure the scope is securely mounted to the rifle before use. Follow the manufacturer's instructions for proper installation.
- **Adjustment:** Use the locking turrets to make adjustments. Ensure they are locked in place after adjustment to prevent unintentional changes.
- **Illumination:** When using the illuminated reticle, ensure that the brightness is set to a comfortable level to avoid eye strain.
- **Eye Relief:** Maintain a safe distance from the eyepiece to avoid injury from recoil. The recommended eye relief is 3.54 inches (90 mm).
- **Maintenance:** Clean the scope regularly using a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting location on your rifle.
- Use appropriate rings or mounts to secure the scope.
- Tighten all screws and ensure the scope is level.

2. Usage:

- Adjust the magnification by rotating the magnification ring.
- Use the throw lever for quick adjustments while maintaining a steady aim.
- To use the illuminated reticle, press the illumination button to activate. Adjust the brightness as needed.
- Always check the zeroing of the scope before use to ensure accuracy.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations.
- If the scope is damaged beyond repair, recycle components where possible.
- Do not dispose of electronic components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope, please contact the manufacturer or refer to the product's official website for support resources.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your Swampfox Arrowhead rifle scope. Thank you for your attention to these important safety instructions.
