# Safety Instruction Guide for the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope

## Introduction

Thank you for purchasing the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this manual carefully before using the scope.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the rifle scope with care to avoid damage.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly check the scope for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recalls or safety notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Use in Appropriate Conditions:** Only use the scope in suitable weather conditions. Avoid using it in heavy rain or extreme temperatures.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this scope.
- **Secure Mounting:** Ensure that the scope is securely mounted to prevent it from loosening during use.
- **Avoid Direct Sunlight:** Do not point the scope directly at the sun, as this can damage the optics.
- **Check for Obstructions:** Before taking a shot, ensure that there are no obstructions in the line of sight.

## Instructions for Installation and Usage

### Installation

1. **Select a Suitable Mount:** Choose a compatible mount for your rifle that fits the 30mm tube size of the scope.
2. **Securely Attach the Scope:**
  - Align the scope with the mount and slide it into place.
  - Tighten the mounting screws securely, ensuring the scope does not move.
3. **Adjust the Eye Relief:** Position the scope so that the eye relief is comfortable, typically between 3.46" and 3.54".
4. **Check Leveling:** Ensure the scope is level before tightening all screws fully.

### Usage

1. **Adjusting Magnification:** Rotate the magnification ring to select your desired level of magnification, from 1x to 10x.
2. **Illumination Settings:** Turn on the illumination feature as needed. Choose from the available brightness settings and two night vision (NV) settings.
3. **Using the Reticle:** Familiarize yourself with the Guerrilla Dot MIL Green reticle for precise aiming.
4. **Locking Turrets:** Use the locking turrets to make adjustments to windage and elevation. Ensure they are locked after making adjustments to prevent unintentional changes.

## Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations regarding electronic waste.

- Remove the battery (CR2032) before disposal and recycle it according to local battery recycling guidelines.
- Do not dispose of the product in general household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact information included with your product packaging. Always ensure that you reach out to authorized representatives for assistance.

By following these guidelines, you can enjoy the full benefits of your Swampfox Arrowhead Rifle Scope while ensuring your safety and compliance with EU regulations. Thank you for choosing Swampfox Optics.
