

BORE-MAX SPEED BRUSH - REAL AVID 7MM/284 CALIBER BORE-MAX SPEED BRUSH

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Bore-Max Speed Brush is a component of the Bore-Max Speed Clean System for faster and easier bore cleaning. Carbon build-up not only affects performance and accuracy, but also causes degradation of the bore. Carbon build-up also insulates the copper fouling in the bore making it difficult to dissolve and remove with bore solvent. Using a bore brush to remove this carbon build-up is the best way to tackle the job. In order to achieve maximum effectiveness, there needs to be an optimal balance between bristle density and bristle flexibility. Having too few bristles is a waste of time and too many won't provide enough flexibility to navigate the lands and grooves of the bore. The bristle configuration of the Bore-Max Speed Brush provides maximum scrubbing density removing more carbon with each pass and getting maximum results faster.

Attributes

- Name: [REAL AVID 7MM/284 CALIBER BORE-MAX SPEED BRUSH](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047671
- Mfr. No.: AVBMSB7MM
- Caliber: 284/7 mm (.284)
- Style: Rifle
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 171mm
- UPC: 813119014000

BOREMAX SPEED BRUSH Safety Instructions

Introduction

Thank you for choosing the BOREMAX SPEED BRUSH. This product is designed for efficient bore cleaning and is part of the BoreMax Speed Clean System. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the BOREMAX SPEED BRUSH by following these guidelines:
 - Always use the brush as intended to avoid injury or damage.
 - Keep the brush out of reach of children and vulnerable individuals.
 - Inspect the brush before each use for any signs of wear or damage.
 - Do not use the brush if it is damaged or if the bristles are frayed.

Specific Safety Precautions for Use

- When using the BOREMAX SPEED BRUSH, please adhere to the following precautions:
 - Wear protective eyewear to shield your eyes from debris during cleaning.
 - Use the brush in a well-ventilated area to avoid inhaling any harmful fumes from cleaning solvents.
 - Avoid using excessive force when inserting or removing the brush from the bore to prevent damage.
 - Do not mix different cleaning solvents, as this may produce harmful reactions.
 - Always follow the manufacturer's instructions for any cleaning solvents used with the brush.

Instructions for Installation and Usage

- To ensure optimal performance and safety while using the BOREMAX SPEED BRUSH, follow these steps:

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including the BOREMAX SPEED BRUSH and a compatible bore solvent.

2. Installation:

- Attach the BOREMAX SPEED BRUSH to a cleaning rod that is compatible with the caliber specified (7mm/.284).
- Ensure the brush is securely fastened to prevent detachment during use.

3. Usage:

- Insert the brush into the bore from the chamber end.
- Rotate the brush gently while pushing it through the bore to maximize scrubbing action.
- Pull the brush back out of the bore and repeat the process as necessary until the bore is clean.
- Clean the brush with solvent after use and store it in a safe place.

Disposal Instructions

- Proper disposal of the BOREMAX SPEED BRUSH is essential to protect the environment:

- Dispose of the brush in accordance with local regulations for nonhazardous waste.
- If the brush is damaged or worn out, consider recycling materials where applicable.
- Do not dispose of the brush in regular household waste if it contains hazardous substances.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the BOREMAX SPEED BRUSH, please reach out to the manufacturer or a local authorized dealer. Ensure that you have the product information ready to facilitate assistance.

Conclusion

Following these safety instructions will help you use the BOREMAX SPEED BRUSH effectively and safely. Always prioritize safety and compliance with the EU General Product Safety Regulation. Thank you for your attention to these guidelines, and enjoy your cleaning experience.
