

# BORE-MAX SPEED BRUSH - REAL AVID 338 CALIBER BORE-MAX SPEED BRUSH

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Bore-Max Speed Brush is a component of the Bore-Max Speed Clean System for faster and easier bore cleaning. Carbon build-up not only affects performance and accuracy, but also causes degradation of the bore. Carbon build-up also insulates the copper fouling in the bore making it difficult to dissolve and remove with bore solvent. Using a bore brush to remove this carbon build-up is the best way to tackle the job. In order to achieve maximize effectiveness, there needs to be an optimal balance between bristle density and bristle flexibility. Having too few bristles is a waste of time and too many won't provide enough flexibility to navigate the lands and grooves of the bore. The bristle configuration of the Bore-Max Speed Brush provides maximum scrubbing density removing more carbon with each pass and getting maximum results faster.

## Attributes

- Name: [REAL AVID 338 CALIBER BORE-MAX SPEED BRUSH](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047674
- Mfr. No.: AVBMSB338
- Caliber: 338 Caliber (.338)
- Style: Rifle
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 159mm
- UPC: 813119013416

# BOREMAX SPEED BRUSH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BOREMAX SPEED BRUSH. This guide provides essential safety information to ensure the safe use of this product. Please read this manual carefully before using the BOREMAX SPEED BRUSH to ensure optimal performance and safety.

## General Safety Guidelines

- Ensure safe use of the BOREMAX SPEED BRUSH by following these guidelines:
  - Always keep the product out of reach of children and vulnerable individuals.
  - Use the product only for its intended purpose, which is bore cleaning for firearms.
  - Regularly inspect the product for any signs of wear or damage before use.
  - Follow all local laws and regulations regarding firearm maintenance and cleaning.
  - Report any unsafe product incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When using the BOREMAX SPEED BRUSH, please observe the following precautions:
  - Wear safety goggles to protect your eyes from debris.
  - Use gloves to protect your hands from chemicals and sharp edges.
  - Ensure proper ventilation when using cleaning solvents to avoid inhalation of harmful fumes.
  - Avoid using excessive force when scrubbing to prevent damage to the bore.
  - Do not use the brush on hot surfaces or immediately after firing to avoid burns.

## Instructions for Installation and Usage

- Follow these steps for the proper installation and use of the BOREMAX SPEED BRUSH:

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the BOREMAX SPEED BRUSH, bore solvent, and cleaning cloths.

### 2. Installation:

- Attach the BOREMAX SPEED BRUSH to a compatible cleaning rod.
- Ensure that the brush is securely fastened to prevent detachment during use.

### 3. Usage:

- Apply a suitable bore solvent to the brush.
- Insert the brush into the bore and scrub in a backandforth motion.
- Repeat the process as necessary, ensuring to cover all areas of the bore.
- After cleaning, remove the brush and clean the bore with a dry cloth to remove any remaining solvent.

### 4. PostUse Care:

- Clean the BOREMAX SPEED BRUSH with warm, soapy water and allow it to dry completely.
- Store the brush in a dry, cool place away from direct sunlight.

## Disposal Instructions

- Dispose of the BOREMAX SPEED BRUSH responsibly:
  - If the product is damaged or no longer usable, dispose of it in accordance with local regulations for nonhazardous waste.
  - Do not dispose of the product in a manner that could harm the environment.

## Contact Information for Further Support

- For any questions or concerns regarding the BOREMAX SPEED BRUSH, please contact the manufacturer or refer to the product packaging for additional support resources.

Thank you for prioritizing safety and performance while using the BOREMAX SPEED BRUSH. Your attention to these guidelines will ensure a safe and effective cleaning experience.
