

BORE-MAX SPEED BRUSH - REAL AVID 12 GAUGE BORE-MAX SPEED BRUSH

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Bore-Max Speed Brush is a component of the Bore-Max Speed Clean System for faster and easier bore cleaning. Carbon build-up not only affects performance and accuracy, but also causes degradation of the bore. Carbon build-up also insulates the copper fouling in the bore making it difficult to dissolve and remove with bore solvent. Using a bore brush to remove this carbon build-up is the best way to tackle the job. In order to achieve maximum effectiveness, there needs to be an optimal balance between bristle density and bristle flexibility. Having too few bristles is a waste of time and too many won't provide enough flexibility to navigate the lands and grooves of the bore. The bristle configuration of the Bore-Max Speed Brush provides maximum scrubbing density removing more carbon with each pass and getting maximum results faster.

Attributes

- Name: [REAL AVID 12 GAUGE BORE-MAX SPEED BRUSH](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047681
- Mfr. No.: AVBMSB12G
- Caliber: 12 Gauge
- Style: Shotgun
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 165mm
- UPC: 813119013485

BOREMAX SPEED BRUSH SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BOREMAX SPEED BRUSH. This product is designed to provide efficient bore cleaning for your shotgun with a 12gauge caliber. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage precautions, and disposal instructions.

General Safety Guidelines

- Ensure that the BOREMAX SPEED BRUSH is used only for its intended purpose, which is cleaning shotgun bores.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the brush for wear and tear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on any recall notices or safety alerts related to this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the BOREMAX SPEED BRUSH to prevent debris from entering your eyes.
- Use the brush in a wellventilated area to avoid inhaling any cleaning solvents or particles.
- Do not use excessive force when cleaning to avoid damaging the bore or the brush.
- Ensure that the firearm is unloaded and in a safe condition before cleaning.
- Store the brush in a dry place to prevent corrosion and maintain its effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary cleaning supplies, including the BOREMAX SPEED BRUSH and bore solvent.

2. Using the BOREMAX SPEED BRUSH:

- Attach the BOREMAX SPEED BRUSH to a cleaning rod that is compatible with your shotgun.
- Apply an appropriate amount of bore solvent to the brush to aid in carbon removal.
- Insert the brush into the bore and gently push it through, using a twisting motion to enhance cleaning effectiveness.
- Remove the brush and inspect for carbon buildup. Repeat as necessary until the bore is clean.
- After cleaning, wipe the bore with a clean cloth to remove any remaining solvent and debris.

3. PostUse Care:

- Clean the BOREMAX SPEED BRUSH with warm soapy water and allow it to dry completely.
- Store the brush in a protective case or designated storage area to prevent damage.

Disposal Instructions

- Dispose of the BOREMAX SPEED BRUSH in accordance with local regulations for household waste.
- Do not dispose of the brush in fire, as it may release harmful substances.
- Ensure that any cleaning solvents used are disposed of properly, following local hazardous waste guidelines.

Contact Information for Further Support

For any safety inquiries or additional support regarding the BOREMAX SPEED BRUSH, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the BOREMAX SPEED BRUSH. By following these guidelines, you can ensure a safer and more effective cleaning experience.
