

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 7 STW MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

## Attributes

- Name: [SHORT ACTION CUSTOMS 7 STW MODULAR HEADSPACE COMPARATOR INSERT](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)

# Safety Instruction Guide for Modular Headspace Comparator Inserts

## Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. This guide provides essential safety information and instructions for the proper use of the product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure safe use of the Modular Headspace Comparator Inserts by following these guidelines:
- Always use the product as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the product in a dry and secure location to prevent accidents.
- If you experience any issues or have concerns about the product, seek assistance immediately.

## Specific Safety Precautions for Use

- Before using the Modular Headspace Comparator Inserts, ensure that:
  - You have the compatible Modular Headspace Comparator Body, which must be purchased separately.
  - You are familiar with the operation of the Modular Headspace Comparator.
- Use appropriate personal protective equipment (PPE) such as safety glasses when using the product.
- Avoid using the product in wet or damp conditions to minimize the risk of slipping or electrical hazards.
- Do not modify the product in any way, as this may compromise safety and performance.
- Be cautious when handling sharp or precision components to avoid injury.

## Instructions for Installation and Usage

### 1. Installation of Modular Headspace Comparator Inserts:

- Ensure you have the Modular Headspace Comparator Body ready for use.
- Align the Modular Headspace Comparator Insert with the body.
- Securely attach the insert to the body according to the manufacturer's instructions.
- Confirm that the insert is properly seated and does not wobble.

### 2. Using the Modular Headspace Comparator:

- Place the cartridge into the comparator.
- Follow the specific measurement procedures outlined in the Modular Headspace Comparator Body manual.
- Record measurements carefully to ensure accuracy.

### 3. After Use:

- Clean the Modular Headspace Comparator Inserts with a soft cloth to remove any debris or residue.
- Store the product in its designated case or a safe location to prevent damage.

## Disposal Instructions

- When the Modular Headspace Comparator Inserts reach the end of their life cycle or are no longer in use:
- Dispose of the product in accordance with local regulations for metal recycling.
- Do not dispose of the product in household waste.
- Consider donating the product if it is still in usable condition.

## Contact Information for Further Support

For any inquiries or concerns regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's website or contact your local distributor for assistance. It is important to have access to support for any safetyrelated questions.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the Modular Headspace Comparator Inserts.
