

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 7MM X 40° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. This product is designed for precision measurement of cartridge headspace and bullet dimensions. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately before using the inserts.
- Always inspect the inserts for any visible damage before use.
- Keep the inserts out of reach of children and vulnerable individuals.
- Do not use the inserts for purposes other than their intended use.
- Report any unsafe products or accidents to local authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Sharp edges: The inserts are precision machined and may have sharp edges.
- Misuse: Using the inserts inappropriately may lead to inaccurate measurements or damage to the product.

• Avoiding Hazards:

- Handle the inserts with care to prevent cuts or injuries.
- Always use the inserts in conjunction with the Modular Headspace Comparator Body.
- Follow the manufacturer's guidelines for measurement procedures to ensure accuracy.

• AgeSpecific Warnings:

- This product is not intended for use by children. Ensure adult supervision when in use around minors.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the Modular Headspace Comparator Body.
- Align the headspace insert with the corresponding slot on the Modular Headspace Comparator Body.
- Secure the insert by following the manufacturer's instructions for proper attachment.

2. Usage:

- Place the cartridge into the comparator body with the installed insert.
- Gently close the comparator body to secure the cartridge in place.
- Take the measurement as per the guidelines provided with the comparator body.
- After use, carefully remove the cartridge and insert, ensuring no damage occurs.

3. Maintenance:

- Clean the inserts after each use to maintain precision and prevent corrosion.
- Store the inserts in a safe, dry place when not in use.

Disposal Instructions

- Dispose of the inserts in accordance with local regulations for metal waste.
- Do not throw the inserts in regular household waste.
- Recycle the product if possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the designated EUbased contact point provided with your product documentation.

Thank you for your attention to these safety instructions. Enjoy using your Modular Headspace Comparator Inserts safely and accurately!
