# Safety Instruction Guide for STRAIGHT GAS TUBE RIFLESPEED RIFLE 15.16" LENGTH STRAIGHT GAS TUBE

## Introduction

Thank you for choosing the STRAIGHT GAS TUBE RIFLESPEED RIFLE. This guide provides essential safety instructions and information to ensure the proper use and maintenance of your gas tube. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the STRAIGHT GAS TUBE is used only with RIFLESPEED Gas Controls and compatible gas blocks.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the gas tube and all firearm components away from children and unauthorized users.
- Inspect the gas tube regularly for any signs of wear or damage before each use.
- If you encounter any issues with the gas tube, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the gas tube in any way.
- Always ensure that the firearm is unloaded before installing or removing the gas tube.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- Avoid pointing the firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and clear of any ammunition.
- Gather necessary tools for installation, including a roll pin punch and hammer.

### 2. Installation Steps:

- Align the gas tube with the gas block on your AR15 or AR10 rifle.
- Insert the roll pin into the gas block and gas tube alignment holes.
- Gently tap the roll pin with a hammer until it is securely in place.
- Ensure that the gas tube is properly seated and aligned with the gas block.

### 3. Usage:

- After installation, perform a function check to ensure proper operation.
- Regularly clean and maintain the gas tube according to manufacturer recommendations.
- Monitor for any unusual sounds or malfunctions during firearm operation.

## Disposal Instructions

- Dispose of the gas tube in accordance with local regulations for metal products.
- Do not dispose of the gas tube in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**
