# Safety Instruction Guide for CALIBER MARKED DUST COVER ASSEMBLIES

## Introduction

Thank you for choosing the CALIBER MARKED DUST COVER ASSEMBLIES from YANKEE HILL MACHINE CO., INC. This product is designed to provide flexibility for users who may wish to change the caliber of their upper receiver. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Always handle firearms and related accessories with care and in accordance with applicable laws and regulations.
- Ensure that the product is used only for its intended purpose.
- Check for any visible damage before use. If there are any concerns, do not use the product.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attempting to install or modify any components.
- Use protective eyewear when installing or handling the dust cover assembly.
- Do not force any components into place; ensure that all parts fit correctly.
- If you are unsure about the installation process, consult a qualified gunsmith or professional.
- Be aware of potential hazards associated with changing the caliber of your upper receiver, including misfires or malfunctioning components.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure the firearm is completely unloaded and safe.

### 2. Installation:

- Remove the existing dust cover if applicable.
- Align the caliber marked dust cover with the corresponding mounting points on the upper receiver.
- Insert the dust cover rod and secure it with the retaining clip.
- Ensure that the spring is properly positioned to allow for smooth operation.

### 3. Usage:

- Once installed, test the functionality of the dust cover by manually operating it several times.
- Ensure that the dust cover opens and closes smoothly without obstruction.
- After installation, regularly inspect the dust cover assembly for any signs of wear or damage.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the product is no longer in use, ensure that it is disposed of safely and responsibly to prevent any potential hazards.

## **Contact Information for Further Support**
