[Rifle Parts](#) > [Receiver Parts](#) > [Ejection Port Cover Parts](#) > [Ejection Port Cover Assemblies](#)

YHM has long been a supplier of Caliber Marked upper receivers, but they soon asked themselves ""What if we want to change the caliber of that upper receiver?"" For this reason, they now offer caliber marked dust covers for those who may end up changing the caliber of their top end/upper receiver. SPECIFICATIONS Assemblies Include the following: Caliber Marked Dust Cover Rod and Retaining Clip Spring

# Safety Instruction Guide for CALIBER MARKED DUST COVER ASSEMBLIES

## Introduction

Thank you for choosing the CALIBER MARKED DUST COVER ASSEMBLIES from YANKEE HILL MACHINE CO., INC. This product is designed to enhance the functionality of your upper receiver by providing a calibermarked dust cover. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

## General Safety Guidelines

To ensure your safety and the safety of others while using this product, please adhere to the following guidelines:

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to your local authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the CALIBER MARKED DUST COVER ASSEMBLIES, please take the following precautions:

- Ensure that the firearm is unloaded before installation or maintenance.
- Do not modify the dust cover or any of its components.
- Wear appropriate protective gear, such as safety glasses and gloves, when handling the product.
- Avoid exposing the product to extreme temperatures or moisture, which may affect its performance.
- Be cautious of sharp edges during installation and handling.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the CALIBER MARKED DUST COVER ASSEMBLIES:

### 1. Preparation:

- Ensure your work area is clean and free from distractions.
- Gather all necessary tools and components, including the Caliber Marked Dust Cover, Rod, Retaining Clip, and Spring.

### 2. Installation:

- Make sure the firearm is completely unloaded.
- Remove the existing dust cover from the upper receiver if applicable.
- Align the new Caliber Marked Dust Cover with the upper receiver.
- Insert the Rod through the designated hole in the dust cover and secure it with the Retaining Clip.
- Attach the Spring to the designated area to ensure proper function.

### 3. Usage:

- Once installed, ensure the dust cover opens and closes smoothly.
- Regularly check the dust cover for any signs of wear or damage.
- If you change the caliber of your upper receiver, consider replacing the dust cover with one that matches the new caliber.

## **Disposal Instructions**

When it comes time to dispose of the CALIBER MARKED DUST COVER ASSEMBLIES, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding electronic and nonelectronic waste.
- Ensure that all components are properly discarded to prevent environmental harm.
- If unsure about disposal methods, consult with local waste management authorities for guidance.

## **Contact Information for Further Support**

For further support or inquiries regarding the CALIBER MARKED DUST COVER ASSEMBLIES, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your CALIBER MARKED DUST COVER ASSEMBLIES. Thank you for your attention to safety.
