# Safety Instruction Guide for ARROWHEAD 16X24MM SFP ILLUMINATED RIFLE SCOPE

## Introduction

Thank you for choosing the Swampfox Arrowhead 16X24MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your rifle scope. Please read this manual carefully before use to familiarize yourself with the product's features and safety precautions.

## General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose as a sighting device for rifles.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the scope and all components out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear. Do not use if damaged.
- Store the scope in a cool, dry place when not in use to prevent moisture damage.

## Specific Safety Precautions for Use

- **Locking Turrets:** Always ensure that the locking turrets are engaged to prevent unintentional adjustments during use.
- **Illumination Settings:** Use the illuminated reticle responsibly. Avoid using high brightness settings in lowlight conditions to prevent eye strain.
- **Eye Relief:** Maintain the recommended eye relief of 3.54" to 3.39" to prevent injury from recoil.
- **Mounting:** Ensure the scope is securely mounted to the rifle. An improperly mounted scope can lead to misalignment and potential accidents.
- **Environmental Considerations:** Avoid exposing the scope to extreme temperatures, humidity, or direct sunlight for prolonged periods.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable mounting location on your rifle according to the manufacturer's guidelines.
- Securely attach the scope using the provided mounting rings or bases, ensuring it is level and aligned with the barrel.
- Tighten all screws and fasteners to specifications to prevent loosening during use.

### 2. Using the Scope:

- Adjust the magnification by turning the magnification ring to the desired level between 1x and 6x.
- To use the illuminated reticle, press the illumination button to turn on/off and adjust brightness settings as needed.
- Use the locking turrets to make windage and elevation adjustments. Always lock the turrets after adjustments to maintain zero.

### 3. Maintenance:

- Clean the lens with a soft, lintfree cloth to remove dust and fingerprints.
- Avoid using harsh chemicals or abrasive materials that may scratch the lens surface.
- Periodically check all mounting hardware for tightness and condition.

## **Disposal Instructions**

- Dispose of packaging materials and any unused components in accordance with local regulations.
- If the product reaches the end of its life, follow local electronic waste disposal guidelines to ensure environmentally responsible disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the Swampfox Arrowhead Rifle Scope, please contact the manufacturer or your local retailer for assistance. Always refer to the official website for the most up to date information and support resources.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Swampfox Arrowhead 16X24MM SFP Illuminated Rifle Scope. Remember to always prioritize safety and responsible use when handling firearms and optical devices. Thank you for your attention to these important guidelines.
