Safety Instruction Guide for the Swampfox Arrowhead 18X24MM SFP Illuminated Rifle Scope

Introduction

Thank you for choosing the Swampfox Arrowhead 18X24MM SFP Illuminated Rifle Scope. This guide provides important safety instructions and guidelines to ensure the safe use and maintenance of your rifle scope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the rifle scope is used only as intended and in accordance with all local laws and regulations.
- Always handle firearms and associated equipment with care and respect.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly check the scope for any signs of damage or wear before use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded when attaching or detaching the scope.
- Use the locking turrets to prevent unintentional adjustments during use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use the illuminated reticle only in appropriate lighting conditions to avoid eye strain.
- Do not look directly at the sun through the scope, as this can cause serious eye damage.

Instructions for Installation and Usage

1. Installation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Attach the scope mount to your rifle according to the manufacturer's instructions.
- Secure the Arrowhead scope onto the mount, ensuring it is properly aligned.
- Tighten the mounting screws using the appropriate tools to prevent movement.

2. Using the Scope:

- Adjust the magnification by rotating the magnification ring to your desired level (1x to 8x).
- Use the throw lever to quickly change magnification settings.
- Adjust the focus by turning the eyepiece until the reticle is sharp and clear.
- Utilize the illuminated reticle settings for enhanced visibility in lowlight conditions.
- Ensure the eye relief is appropriate by positioning your eye at the recommended distance (3.54" to 3.39").

3. Maintenance:

- Regularly clean the lens with a soft, lintfree cloth to maintain clarity.
- Store the scope in a dry, cool place when not in use.
- Replace the battery (CR2032) as needed to ensure illumination functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Remove batteries before disposal and recycle them at designated battery recycling locations.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For safety inquiries or assistance, please contact the manufacturer's support team or consult the product's official website for further information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Swampfox Arrowhead 18X24MM SFP Illuminated Rifle Scope. Thank you for your attention to safety.
