Safety Instruction Guide for the Swampfox Arrowhead 18X24mm SFP Illuminated Rifle Scope

Introduction

Thank you for choosing the Swampfox Arrowhead 18X24mm SFP Illuminated Rifle Scope. This product is designed for serious law enforcement and selfdefense applications. To ensure safe and effective use, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the rifle scope with care to prevent damage.
- Keep the rifle scope out of reach of children and vulnerable individuals.
- Regularly inspect the rifle scope for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not look directly at the sun through the rifle scope, as this may cause permanent eye damage.
- Ensure that the locking turrets are securely in place before use to prevent unintentional adjustments.
- Use the appropriate battery (CR2032) as specified in the product details. Incorrect batteries may lead to malfunction.
- Do not disassemble or modify the rifle scope, as this may void the warranty and compromise safety.
- Maintain a safe distance from others when using the rifle scope to prevent accidents.

Instructions for Installation and Usage

1. Installation

- Mount the rifle scope on your firearm according to the manufacturer's instructions.
- Ensure that the scope is securely fastened and aligned properly.
- Adjust the eye relief to suit your preference (3.54" or 3.39").

2. Usage

- To adjust magnification, rotate the magnification ring smoothly.
- Use the throw lever for quick magnification adjustments.
- To illuminate the reticle, press the illumination button. Choose from the two night vision settings as needed.
- Always check your surroundings before aiming and shooting.

Disposal Instructions

- Dispose of the rifle scope and its components in accordance with local regulations.
- Remove the battery (CR2032) before disposal and recycle it at designated battery recycling points.
- Do not dispose of electronic waste in regular household trash.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact the manufacturer directly. Ensure that you have

the model number (Arrowhead) and other relevant information ready for reference.

By following these safety instructions, you can ensure the safe and effective use of the Swampfox Arrowhead 18X24mm SFP Illuminated Rifle Scope. Thank you for your attention to these important guidelines.
