

TRAUMA KIT NOW! ESSENTIALS SUPPLIES - BLUE FORCE GEAR

TRAUMA KIT NOW! ESSENTIAL SUPPLIES MOLLE MOUNTED MULTICAM

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Trauma Kit NOW! - MEDIUM is a MOLLE mounted medical kit that can be deployed in seconds. This first aid pouch was originally designed to hold the contents of the Army IFAK and other medical supplies. This medical kit mounts on a 3 x 3 MOLLE field, a battle belt or other MOLLE Compatible Surfaces using the patented BFG Helium Whisper Attachment System. The Helium Whisper Attachment System is the lightest MOLLE attachment system in existence. Featuring less bulk so it sits closer to the body armor, pack or belt system. It has fewer parts to fail and is metal free to reduce secondary fragmentation. Best of all, Helium Whisper offers overall weight savings of up to 40% over traditional pouches. ESSENTIALS SUPPLIES INCLUDE: Trauma Gloves (Rolled 1x Pair) Quikclot Bleeding Control Dressing (1x) Emergency Trauma Dressing 6" (1x) Hypothermia Blanket - Green / Silver (1x) Flat Fold Tape (1x) Compressed Gauze (1x) SWAT-T Pressure Device (1x)

Trauma Kit NOW! Essentials Supplies Safety Instruction Guide

Introduction

Thank you for choosing the Trauma Kit NOW! Essentials Supplies by Blue Force Gear. This MOLLE mounted medical kit is designed for rapid deployment in emergency situations. It is essential to understand how to use this kit safely and effectively to ensure the best outcomes in critical moments. This guide provides important safety instructions and guidelines to help you use the kit properly.

General Safety Guidelines

- **Product Safety:** Ensure the kit is used as intended and that all components are in good condition.
- **Enhanced Recalls:** Stay informed about any recall notices related to the product. Ensure you check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, verify that the seller meets safety requirements.
- **Special Consumer Focus:** Be cautious when using the kit around vulnerable individuals, such as children.
- **EU Contact Point:** For safety inquiries, refer to the product packaging for the EU based contact information.
- **Rapid Alerts:** Regularly check for updates on unsafe products via the Safety Gate system.

Specific Safety Precautions for Use

- **Inspect the Kit:** Before each use, inspect the kit for any signs of damage or missing components.
- **Storage Conditions:** Store the kit in a cool, dry place away from direct sunlight to prevent deterioration of materials.
- **Usage Limitations:** This kit is designed for first aid and emergency situations. It should not replace professional medical assistance.
- **Hygiene:** Always use clean hands when handling medical supplies to prevent contamination.
- **Training:** Familiarize yourself with the contents of the kit and receive training in basic first aid to maximize effectiveness.

Instructions for Installation and Usage

Installation

1. **MOLLE Attachment:**
 - Locate a 3 x 3 MOLLE field on your tactical gear, battle belt, or compatible surface.
 - Thread the Helium Whisper Attachment System through the MOLLE webbing to secure the kit in place.

Usage

1. **Quick Access:**
 - Ensure the kit is easily accessible in emergencies.
2. **Open the Kit:**
 - Unfasten the closure and open the pouch to access the medical supplies.
3. **Use the Supplies:**
 - Follow the instructions for each item within the kit. Ensure to use items like the Quikclot Bleeding Control Dressing and Emergency Trauma Dressing according to their specific guidelines.
4. **PostUse:**
 - After use, assess the condition of the supplies and replace any used items to maintain readiness.

Disposal Instructions

- Dispose of any used or expired medical supplies in accordance with local regulations.
- Check the packaging for disposal instructions specific to hazardous materials, such as gloves and dressings.
- Recycle the kit packaging where possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided on the product packaging.

By following these guidelines, you can ensure safe and effective use of the Trauma Kit NOW! Essentials Supplies. Always remember that in the event of a serious medical emergency, professional medical help should be sought immediately.
