

MICRO TRAUMA KIT NOW! PRO SUPPLIES - BLUE FORCE GEAR

MICRO TRAUMA KIT NOW! PRO SUPPLIES BELT MOUNT BLACK

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Micro Trauma Kit NOW!, or Micro TKN, is the smallest version of the Trauma Kit NOW! for every day carry. It is designed to hold essential lifesaving medical supplies on a belt. The Micro TKN was designed as an Every Day Carry trauma kit for law enforcement professionals, prepared citizens, or hunters. Deployment of critical first aid supplies can be done with one hand or a single finger from either the left or right side by pulling the BLIP featured pull tabs. The Micro TKN consists of two main components - the outer MOLLE or Belt mounted pouch utilizing the Ten-Speed technology, and a removable insert that keeps medical supplies organized. The PRO Kit Includes: Trauma Gloves (1x Pair) Quickclot Combat Gauze LE (1x) SWAT-T Pressure Device (1x) Hypothermia Blanket - Green/Silver (1x)

MICRO TRAUMA KIT NOW! PRO SUPPLIES SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Micro Trauma Kit NOW! Pro Supplies. This kit is designed to provide essential lifesaving medical supplies for everyday carry. It is crucial to understand how to use this product safely and effectively. This guide outlines important safety instructions and precautions to ensure your safety and the safety of others.

General Safety Guidelines

- Always inspect the kit before use to ensure all components are present and undamaged.
- Store the kit in a cool, dry place away from direct sunlight.
- Keep the kit out of reach of children and vulnerable individuals.
- Follow the instructions provided in this guide carefully to avoid accidents and injuries.
- In case of an emergency, seek professional medical assistance immediately.

Specific Safety Precautions for Use

- **Trauma Gloves:** Always wear gloves when handling blood or bodily fluids to prevent contamination.
- **Quickclot Combat Gauze:** Use only as directed. Avoid contact with eyes and mucous membranes.
- **SWATT Pressure Device:** Ensure correct application to avoid excessive pressure that could cause injury.
- **Hypothermia Blanket:** Use the blanket as directed to prevent overheating or suffocation.
- **General Handling:** Do not use any items that are damaged or expired. Replace items as needed.

Instructions for Installation and Usage

1. Belt Mounting:

- Attach the Micro Trauma Kit to your belt using the MOLLE or belt mount.
- Ensure that the kit is securely fastened and easily accessible.

2. Using the Kit:

- In an emergency, pull the BLIP featured pull tabs to quickly access the medical supplies.
- Use one hand or a single finger to deploy the supplies from either side of the kit.

3. PostUse Care:

- After using any medical supplies, dispose of them properly according to local regulations.
- Replenish any used items in the kit to ensure it is ready for future emergencies.

Disposal Instructions

- Dispose of used medical supplies in accordance with local hazardous waste regulations.
- Do not dispose of the kit or its components in regular household waste unless specified as safe to do so.
- Check for local disposal programs for medical waste if available.

Contact Information for Further Support

For any inquiries regarding the Micro Trauma Kit NOW! Pro Supplies, please refer to the manufacturer's contact information, which can be found on the packaging or the official website.

Conclusion

By following these safety instructions, you can ensure that you use the Micro Trauma Kit NOW! Pro Supplies effectively and safely. Always prioritize safety and seek professional assistance when necessary. Thank you for your attention to these guidelines. Stay safe!
