## MICRO TRAUMA KIT NOW! PRO SUPPLIES BELT MOUNT COYOTE

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Micro Trauma Kit NOW!, or Micro TKN, is the smallest version of the Trauma Kit NOW! for every day carry. It is designed to hold essential lifesaving medical supplies on a belt. The Micro TKN was designed as an Every Day Carry trauma kit for law enforcement professionals, prepared citizens, or hunters. Deployment of critical first aid supplies can be done with one hand or a single finger from either the left or right side by pulling the BLIP featured pull tabs. The Micro TKN consists of two main components - the outer MOLLE or Belt mounted pouch utilizing the Ten-Speed technology, and a removable insert that keeps medical supplies organized. The PRO Kit Includes: Trauma Gloves (1x Pair) Quickclot Combat Gauze LE (1x) SWAT-T Pressure Device (1x) Hypothermia Blanket - Green/Silver (1x)

# MICRO TRAUMA KIT NOW! PRO SUPPLIES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Micro Trauma Kit NOW! Pro Supplies. This kit is designed for everyday carry, providing essential lifesaving medical supplies in a compact format. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the kit is stored in a cool, dry place away from direct sunlight.
- Regularly check the contents of the kit for expiration dates and replace any expired items.
- Keep the kit out of reach of children unless under adult supervision.
- Familiarize yourself with the contents of the kit and their uses before an emergency arises.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear gloves when handling blood or bodily fluids to reduce the risk of infection.
- Use the Quickclot Combat Gauze only as directed; improper use may lead to adverse effects.
- The SWATT Pressure Device should be applied carefully to avoid constriction injuries.
- Ensure the Hypothermia Blanket is used correctly to provide warmth without overheating.
- If you are unsure about how to use any item in the kit, seek professional medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the Micro Trauma Kit NOW! is easily accessible in case of an emergency.
- Familiarize yourself with the layout of the kit and the location of each item.

### 2. Accessing the Kit:

- The kit can be mounted on a belt or MOLLE system using the provided attachment.
- To open the kit, pull the BLIP featured pull tabs using one hand or a single finger from either side.

### 3. Using the Contents:

- **Trauma Gloves (1x Pair):** Put on gloves before handling any injuries.
- **Quickclot Combat Gauze LE (1x):** Apply directly to the wound and apply pressure to control bleeding.
- **SWATT Pressure Device (1x):** Wrap around the injured area to apply pressure; ensure it is snug but not too tight.
- **Hypothermia Blanket Green/Silver (1x):** Wrap the injured person to retain body heat.

### 4. PostUse:

- Dispose of used gloves and any other single-use items in accordance with local regulations.
- Restock any used items in the kit immediately after use.

## **Disposal Instructions**

- Dispose of expired or damaged items in accordance with local regulations.
- Ensure that any medical waste is disposed of safely to prevent harm to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the Micro Trauma Kit NOW! Pro Supplies, please refer to the manufacturer's contact details provided on the packaging or visit the official website.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others depend on your understanding and proper use of this product.
