

M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 30MM 1.26" 10 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

Attributes

- Name: [AMERICAN RIFLE COMPANY 30MM 1.26" 10 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050406
- Mfr. No.: MB-M-30-32-10
- Elevation: 10 MOA
- Finish: Black
- Height: 1.26"
- Scope Tube Diameter: 30mm
- Style: Picatinny
- Delivery weight: 0.39kg
- Shipping height: 83mm
- Shipping width: 83mm
- Shipping length: 134mm
- UPC: 810094450267

MBRACE Scope Mount Safety Instructions

Introduction

Thank you for choosing the MBRACE Scope Mount from American Rifle Company. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the MBRACE Scope Mount is suitable for your rifle and compatible with your scope.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the scope mount and rifle for any signs of damage before use.
- Avoid using the scope mount in extreme weather conditions that may affect performance.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- When mounting the scope, ensure that the torque specifications are adhered to:
 - Scope clamp and rail mount screws: 6.2 Nm (55 inlbs)
 - Bubble level screw: 3.4 Nm (30 inlbs)
- Be aware that the 32mm height MBRACE serrated interface block may interfere with the bolt handle when opened if mounted in the far aft recoil slot. Move the mount forward 1 slot to avoid this issue.
- Always doublecheck the stability of the mount after installation before using the rifle.
- Do not exceed the recommended weight limit of the scope mount.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure your workspace is clean and welllit.

2. Installation Steps:

- Remove any existing scope mounts if necessary.
- Position the MBRACE Scope Mount on the picatinny rail of your rifle.
- Align the mount with the desired recoil slot, ensuring it is secure and stable.
- Tighten the scope clamp and rail mount screws to the specified torque of 6.2 Nm (55 inlbs).
- Attach the scope to the mount and secure it according to the manufacturer's instructions.
- Tighten the bubble level screw to a torque of 3.4 Nm (30 inlbs).

3. Usage:

- After installation, conduct a thorough check to ensure all components are secure.
- Before firing, confirm that the scope is properly aligned and functioning.
- Regularly inspect the mount and scope for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the MBRACE Scope Mount and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

- For safety inquiries or concerns regarding the MBACE Scope Mount, please refer to the manufacturer's contact details provided with the product packaging.

Please remember to always prioritize safety when using your MBACE Scope Mount and your firearm. Report any unsafe products or incidents to the appropriate authorities and stay informed about recall updates through the EU's Safety Gate platform. Thank you for your attention to these safety instructions.
