

# M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 34MM 1.50" 0 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

## Attributes

- Name: [AMERICAN RIFLE COMPANY 34MM 1.50" 0 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050417
- Mfr. No.: MB-M-34-38-00
- Elevation: 0 MOA
- Finish: Black
- Height: 1.50"
- Scope Tube Diameter: 34mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm
- UPC: 810094450373

# MBRACE Scope Mount Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Mount by American Rifle Company. This guide provides essential safety instructions and information to ensure the safe and effective use of your scope mount. Please read these instructions carefully before use.

## General Safety Guidelines

- Ensure the scope mount is compatible with your rifle and scope specifications.
- Always follow the manufacturer's installation and usage instructions.
- Inspect the scope mount regularly for signs of wear or damage.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to scope misalignment or failure. Using the mount with incompatible equipment can cause accidents.
- **Avoiding Hazards:** Ensure all screws are tightened to the specified torque values. Do not exceed the recommended height and weight limits for the scope. When using the mount, be aware of the bolt handle's clearance to avoid interference.
- **Age or Audience Specific Warnings:** This product is intended for adult use only. Keep it away from children.

## Instructions for Installation and Usage

- **Installation Steps:**
  1. **Preparation:** Gather necessary tools: torque wrench, screwdriver, and any additional tools specified in the product manual.
  2. **Mounting:** Position the MBRACE scope mount on the picatinny rail of your rifle. Ensure the mount is aligned correctly with the scope and rifle.
  3. **Securing the Mount:** Tighten the scope clamp screws to a torque specification of 6.2 Nm (55 inlbs). Tighten the rail mount screws to the same torque specification. If using a bubble level, tighten the bubble level screw to a torque specification of 3.4 Nm (30 inlbs).
- **Usage Guidelines:** Regularly check the tightness of the screws to maintain stability. Avoid excessive force when adjusting the scope to prevent damage to the mount or scope. If you experience any issues with the mount, discontinue use and consult a professional.

## Disposal Instructions

- Dispose of the scope mount in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management facilities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the MBRACE Scope Mount, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MBACE Scope Mount!
