

# M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 34MM 1.50" 20 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

## Attributes

- Name: [AMERICAN RIFLE COMPANY 34MM 1.50" 20 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050419
- Mfr. No.: MB-M-34-38-20
- Elevation: 20 MOA
- Finish: Black
- Height: 1.50"
- Scope Tube Diameter: 34mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm
- UPC: 810094450397

# MBRACE Scope Mount Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Mount by American Rifle Company. This guide provides important safety instructions and usage guidelines to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the MBRACE Scope Mount is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the scope mount regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When installing the scope mount, ensure that it is securely fastened to prevent any movement during use.
- Be cautious when handling the mount and scope, as improper handling may lead to injury.
- If using the mount on a rifle with a 90degree bolt rotation, be aware that the 32mm height MBRACE serrated interface block may interfere with the bolt handle when opened. Adjust the mount position forward by 1 slot in the picatinny rail to avoid this issue.
- Always adhere to the specified torque settings:
  - 6.2 Nm (55 inlbs) for scope clamp and rail mount screws.
  - 3.4 Nm (30 inlbs) for the bubble level screw.
- Use the scope mount only with compatible scope tube diameters (34mm) to ensure proper fit and functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by selecting the appropriate position on the picatinny rail for mounting.
- Align the MBRACE Scope Mount with the selected slot on the rail.
- Secure the mount using the provided screws, ensuring that they are tightened to the specified torque settings.
- If necessary, adjust the position of the mount to avoid any interference with the rifle's bolt handle.

### 2. Usage:

- Once installed, attach your scope to the MBRACE Scope Mount.
- Ensure that the scope is properly aligned and secured.
- Test the mount and scope for stability before using the rifle.
- Regularly check the tightness of the screws and the overall condition of the mount during use.

## Disposal Instructions

- Dispose of the MBRACE Scope Mount in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility for proper disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety, maintenance, or usage of the MBACE Scope Mount, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

By following these guidelines, you can ensure the safe and effective use of your MBACE Scope Mount. Thank you for your attention to safety and for choosing American Rifle Company products.
