

M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 35MM 1.26" 10 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

Attributes

- Name: [AMERICAN RIFLE COMPANY 35MM 1.26" 10 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050422
- Mfr. No.: MB-M-35-32-10
- Elevation: 10 MOA
- Finish: Black
- Height: 1.26"
- Scope Tube Diameter: 35mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm
- UPC: 810094450427

MBRACE Scope Mount Safety Instructions

Introduction

Thank you for choosing the MBRACE Scope Mount by American Rifle Company. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the scope mount is compatible with your rifle and scope specifications.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the scope mount for any signs of wear or damage.
- Do not exceed the specified torque settings during installation.
- Use only compatible accessories and components with the scope mount.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Be aware of the potential for interference between the mount and the bolt handle when installed at the far aft recoil slot.
- Adjust the mount forward by one slot in the picatinny rail if interference occurs during bolt operation.
- Ensure the scope is securely mounted before use to prevent accidents.
- Use protective eyewear when handling or adjusting the scope mount.
- Avoid using the scope mount in extreme environmental conditions that may affect performance.

Instructions for Installation and Usage

1. Installation Steps:

- Begin by cleaning the picatinny rail on your rifle to ensure a secure fit.
- Position the MBRACE Scope Mount on the desired location of the picatinny rail.
- If necessary, adjust the mount forward by one slot to prevent interference with the bolt handle.
- Use a torque wrench to tighten the scope clamp and rail mount screws to a torque specification of 6.2 Nm (55 inlbs).
- Tighten the bubble level screw to a torque specification of 3.4 Nm (30 inlbs).

2. Usage Steps:

- Once installed, check that the scope is properly aligned and secured in the mount.
- Test the functionality of the bolt handle to ensure no interference occurs.
- Regularly check the tightness of the screws and the condition of the mount during use.

Disposal Instructions

- Dispose of the MBRACE Scope Mount in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or further assistance regarding the MBACE Scope Mount, please refer to the contact details provided by the retailer or manufacturer at the point of purchase.

By following these safety instructions, you can ensure the safe and effective use of your MBACE Scope Mount. Thank you for your attention to these guidelines.
