

# M-BRACE SCOPE MOUNTS - AMERICAN RIFLE COMPANY 35MM 1.26" 20 MOA SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The M-BRACE Scope Mounting System embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. NOTE: When attached to the far aft recoil slot in the picatinny rail on an action with 90 degree bolt rotation, the 32mm height M-BRACE serrated interface block may interfere with the bolt handle when opened. This issue can usually be avoided by moving the mount forward 1 slot in the picatinny rail. Torque spec: 6.2 Nm (55 in-lbs) on scope clamp and rail mount screws. Torque spec: 3.4 Nm (30 in-lbs) on bubble level screw.

## Attributes

- Name: [AMERICAN RIFLE COMPANY 35MM 1.26" 20 MOA SCOPE MOUNT BLACK](#)
- Manufacturer: [AMERICAN RIFLE COMPANY](#)
- Product no.: 100050423
- Mfr. No.: MB-M-35-32-20
- Elevation: 20 MOA
- Finish: Black
- Height: 1.26"
- Scope Tube Diameter: 35mm
- Style: Picatinny
- Delivery weight: 0.404kg
- Shipping height: 89mm
- Shipping width: 76mm
- Shipping length: 140mm
- UPC: 810094450434

# MBRACE Scope Mount Safety Instructions

## Introduction

Thank you for choosing the MBRACE Scope Mount by American Rifle Company. This guide provides essential safety information to ensure the safe and effective use of your scope mount. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the scope mount is compatible with your rifle and scope specifications.
- Regularly inspect the scope mount for signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the scope mount and all associated equipment out of reach of children and unauthorized users.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- **Installation Location:** When attaching the MBRACE Scope Mount, be aware that it may interfere with the bolt handle if installed too far back on the picatinny rail. To avoid this, move the mount forward by one slot if necessary.
- **Torque Specifications:**
  - Use a torque of 6.2 Nm (55 inlbs) on the scope clamp and rail mount screws.
  - Use a torque of 3.4 Nm (30 inlbs) on the bubble level screw.
- **Height Consideration:** The 32mm height of the MBRACE serrated interface block may pose a risk of interference when the bolt is opened. Always check for clearance before operating the bolt.
- **Handling:** Always handle your rifle safely and responsibly, keeping the muzzle pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure that your rifle is unloaded and pointed in a safe direction.

### 2. Mounting the Scope:

- Locate the picatinny rail on your rifle.
- Position the MBRACE Scope Mount at the desired location on the rail, ensuring it is aligned with your scope's mounting requirements.
- If using the far aft recoil slot, check for potential interference with the bolt handle.

### 3. Securing the Mount:

- Tighten the scope clamp screws to a torque of 6.2 Nm (55 inlbs).
- Tighten the rail mount screws to the same torque specification.
- Install the bubble level screw and tighten it to 3.4 Nm (30 inlbs).

### 4. Final Check:

- Ensure all screws are secure and the scope is properly aligned.
- Check for any obstructions or interference with the bolt handle.

### 5. Usage:

- Once installed, regularly check the scope mount for tightness and any signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local recycling regulations.
- If the scope mount is no longer usable, dispose of it in a manner that complies with local waste disposal regulations.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MBRACE Scope Mount!
